KS3: ACT JUSTLY…

To act justly means to live a life of fairness; treating everyone equally and with respect.

Your task – **PUT UPS.** Get into groups of three or four and take turns giving each other a ‘put up’ rather than a ‘put down’. Say something positive and fair to the people in your group.

Share some with the class.

KS3 - TIME FOR REFLECTION/PRAYER…

- Is it just and fair to treat each other equally and with respect?
- Do you always show respect to others?

KS4: ACT JUSTLY…

- That's not fair! How many of you have ever said that?

- In pairs, consider things in life which you deem to be unjust (unfair). For example, poor treatment of animals, families being forced to leave their homes due to civil war, footballers being paid excessive amounts of money whilst people live in poverty.

- Takes turns and give an example to the whole class. If you agree with your peers unjust example stand up. If you disagree, sit down.

KS4: TIME FOR REFLECTION/PRAYER…

- How can we stop these injustices?
- Is it just to stop injustices and if so, how best can we do this?
