

## ECO – COMMITTEE MEETING

30 June 2010

### AGENDA

1. Eco – schools Notice board
2. Low Carbon Day
3. School grounds
4. Recycling bins
5. Eco –schools show
6. Trip to Eco – house Leicester
7. Environmental Survey
8. Litter survey
9. Presentation to the Governors about the Sustainable schools
10. Certificates
11. Fair trade school
12. AOB

Present: Eco – committee pupils;

Ad 1: 2 pupils and IJC will change and update the Eco – schools notice board before Sep 2010.

Ad 2: Feedback: positive experience, pupils enjoyed it. Will look into making it a bigger event (involve more people, take up perhaps up to 4 lessons)

Ad 3: The development of school grounds will be a long-term, ongoing project. Funding available, need to apply for it. Groundworks Leicester involved.

Ad 4: Select and organise new bins for plastic / can recycling. Also, address the problem of overfilling the collection (large) bins outside. Responsible pupils only to be involved to avoid mess and confusion around the bins.

Ad 5: IJC took part. Will take pupils for the 2011 Show.

Ad 6: The trip had to be postponed until 2011.

Ad 7 and ad 8: Both surveys will be carried out in September 2010 by eco-committee pupils. New Y7 pupils involved.

Ad 9: Will be done in the Autumn term 2010.

Ad 10: Eco – warriors and Eco – committee certificates distributed to pupils.

- Becoming a Fair trade school wallpaper on PCs in College.

Ad 12:

- 1) Recycling plastic bottles in the classrooms.
- 2) Packed lunch: too much rubbish and waste produced by pupils. Needs to be addressed. Involve healthy schools / school council.
- 3) Littering should carry out punishment – eg. litter picking during detention.
- 4) Year 7 Eco – schools competition for the Notice board; September 2010.
