Hat and gloves can be worn in very cold weather, at the discretion of the PE teacher.</p>	

If for any reason your son/daughter does not have his/her kit or has a medical note explaining that he/she is unable to take part in the lesson, we are unable to make alternative provision. Our policy is similar to most secondary schools in that pupils who are not able to do PE are expected to join the PE group listening to the theory aspects and helping with duties as instructed by the teacher. **This is also the same policy for outdoor lessons.** It is therefore important that they have a coat and warm clothing to observe the lesson if they are outdoors.

If your child has a medical reason for not participating practically in a PE lesson, could you please supply a note to his/her PE teacher, through your son/daughter, on the day of his/her PE lesson.

If your child has a medical condition that is likely to last for several weeks, please contact your child's PE teacher to see what arrangements can be made in these exceptional circumstances.
