Name: \_\_\_\_\_

Form: \_\_\_\_\_

Dear Parents/Carers and Friends of the College,

### Message from the Principal

Welcome to the latest edition of the college bulletin, which seems to accurately portray a school 'learning to live life to the full'. This month you can catch up on the reports from trips to Italy, London and the Curve Theatre; read about the achievements of some individuals at the college; reflect on opportunities within music, drama and sport; take part in the maths challenge or learn about our new reward system. You need to be energetic at Brockington!

Aside from all the opportunities that we offer, we are under no illusion that our main priority is pupil learning. Members of staff are working extremely hard to support the pupils in this respect and the evidence that we have from lesson observations, pupil achievement data, work scrutiny and pupil/parent feedback, clearly shows that this is the case and that we are going from strength to strength. As well as through hard work, this is being supported by many opportunities for staff training both within and external to the college.

Several parents have asked me, "What difference has Academy Trust Status made to the college?" It has brought us more flexibilities in how we work and we have used the money available to us in order to improve teaching and learning. Two new members of the Senior Leadership Team have brought the capacity to drive the teaching and learning agenda and we have been able to expand our teaching team to allow staff to take up training and monitoring opportunities. This is directly making a difference to pupil standards.

We recently held a Parents' Forum meeting, where those in attendance were briefed on the latest news from the 11-16 consultation. We have currently had over 180 responses of which 80% are in favour of conversion to 11-16 status. I will obviously provide further feedback at the end of the consultation period. Information was also shared with parents on the feedback that parents had given at the recent Year 9 Consultation Evenings. This was extremely positive in all areas with 99% of parents stating that their child is happy at the college and 100% stating that their child feels safe at Brockington. Our worst performance was in the area of homework, although it was only 9% of parents that felt that the amount of homework issued was not appropriate and this figure has halved in the last twelve months. We went on to discuss homework and noted comments from parents, which we will use to further improve our systems. The next Parents' Forum meeting is on Tuesday 23 April at 7.00 pm and you will be very welcome to attend.

It wouldn't be my usual report if I didn't update you on the latest water situation. You will recall at the last time of

writing that we do not have e-coli contamination, but do have a small amount of contamination that was proving difficult to trace. At half-term, we have had four days of work undertaken, including deep cleaning of our water system. Tests have been carried out since this was completed and we await results to hopefully confirm that the water is completely clear of contamination.

You will be aware of the news that horsemeat has been discovered in food supplies from several manufacturers. There has also been concern that horsemeat has infiltrated school meals. I wanted to inform you that the Food Standards Agency has undertaken tests on meat supplies and that the suppliers that we use are completely clear of involvement in the use of horsemeat.

My final words go in praise of Karina Shah from Year 9 who is a Leicestershire Artist of the Year finalist and to Lesley Reynolds, our Teaching Assistant, who is a Sky Sports Teacher of the Year finalist.

Chris Southall

### **EMERGENCY CLOSURE OF COLLEGE THROUGH SNOWFALL OR OTHER EMERGENCY**

Only in the last resort will the College be closed.

Where the decision to close is made it will be communicated to parents/carers via

**Brockington College website**  
**www.brockington.leics.sch.uk**  
**Radio Leicester 104.9 FM**

**and (where possible) via our text messaging system.**

### **Dates for Your Diary**

#### **Year 8 Consultation Evenings**

Band 1: Monday 18 March 2013 (BROCT)  
Band 2: Wednesday 20 March 2013 (KINGL)

#### **Year 7 Consultation Evenings**

Band 1: Monday 13 May 2013 (BROCT)  
Band 2: Wednesday 15 May 2013 (KINGL)

#### **Year 9 Commemoration Evening**

Wednesday 3 July 2013

# BROCKINGTON MATTERS

## Health & Safety-Medical Matters

### Medication

We would like to bring to your attention that a number of pupils are still arriving in school 'carrying' medication on them, without the necessary consent. In the interest of safety, ALL pupils required to take medication whilst in school should have a completed medicines form, which is then filed in the 'First Aid' room. The form should be signed by their parent/carer as appropriate.

Our prime aim is to help keep your child safe, therefore we regret that we are unable to administer ANY medication that is not consented to, nor are we able to **supply** Paracetamol or Ibuprofen. All medicines should be supplied by you.

 Download forms available on the Brockington website (under Health or Documents). Please print, complete and hand in at reception **or** ask for a form at reception. [www.brockington.leics.sch.uk/](http://www.brockington.leics.sch.uk/)

### I n h a l e r s

ALL pupils who use inhalers should keep them on them at ALL TIMES, they should be LABELLED with their name and form group (in-case lost). Please ensure that the school is informed that your child needs an inhaler in school in case of emergency! You are welcome to provide a spare inhaler in case of emergencies, to be kept in the medical room.

### Injury or Illness at Home

To ensure a correct diagnosis, if your child has sustained an injury or has been poorly at home, please note that we have a 'FIRST AID ROOM' but **do not** run a 'medical clinic,' therefore please seek consultation from either A/E, G.P. or other medical professional as appropriate, **before** sending your child into school.

### Emergency Contact Numbers

Please can you ensure that **your emergency**  **contact details** are up to date as these are also needed by Emergency Practitioners. Please ask to speak to our **Data Manager Mrs Jacquie Barnes, for updates.**

If you have any queries or questions or are unsure what to do, please do not hesitate to call, we will be happy to assist.

Thank you for your assistance, **Mrs Williamson – Health Coordinator**

### Latest School Catering News

Identity cards must be used to purchase anything from the Canteen or Cindy's Pantry, no cash is allowed.

Should your child forget their identity card they can purchase a lunch voucher from the office.

If a pupil has no card or cash, the office will lend them a lunch voucher after contacting a parent/carer. The lunch voucher is payable the next school day at the office.

All identity cards must show the pupil's name and photograph. Any defaced cards used will not be returned and will need replacing at a cost of £3.50.

#### Reminder

In the interests of other pupils with nut allergies, please do not include nuts or nut products in your child's packed lunch. Thank you.

## Carrot Rewards

From the beginning of the Spring Term 2013 Brockington has begun an exciting new chapter in its use of rewards by introducing Carrot Rewards. Traditionally, pupils have received individual paper Merits to reward good work, positive conduct or minor service to the college whilst Commendations have been issued for excellence in these areas. Merits and Commendations have served the College well, allowing members of staff to recognise efforts made by pupils – however in recent years it has become apparent that the effectiveness of Merits as a reward is reduced as pupils get older and move through the school. As such, Mr Clark has spent a significant amount of time and effort investigating a variety of alternative methods to reward pupils and the school eventually selected Carrot Rewards as our preferred method to deliver Merits to pupils.

Carrot Rewards are issued on exactly the same basis as traditional Merits – to reward good work, behaviour or conduct. However, unlike the paper Merit, Carrot Rewards Merits use a combination of printed rewards and integrated online technology to help engage and motivate pupils. Rather than passing pupils a paper Merit, a member of staff will now stick a Carrot Rewards sticker into the homework planner of the child in question. Each pupil has an online account with Carrot Rewards and they then log on at their leisure (at home or in the school Library or one of the Computer Clubs at lunchtime) and input a unique code from the sticker. This code is then used to add points to the account of that child. Pupils accumulate the points for Merits, rewards and participation in teams, clubs, House and enrichment activities. Pupils also receive four Carrot Rewards Merits for a Commendation, although they do still receive the certificate too! These points can then be used to improve an avatar (a virtual character) owned by the pupil. Pupils are also entered into national and school-based draws for actual prizes to further reward their effort and behaviour – in fact, a tablet PC will be the first prize issued at Brockington in the coming months. To encourage friendly competition, pupils also have access to league tables of pupils with the highest number of Carrot Reward Merits.

Carrot Rewards will also allow staff to easily keep track of work related learning taking place across all subjects and in a variety of other settings across the college. Using the Carrot Rewards website, staff can easily create league tables of pupils who have received merits, sorted by class, subject, year, House and school. The system also allows us to continue our rigorous monitoring of effort across the College.

We are certain that pupils will enjoy collecting the Carrot Rewards Merits and we hope that they continue to motivate our pupils as they excel at Brockington.

### Competition Winner

Congratulations to **Monique Daniels** (7I) who became the lucky competition winner of the Kindle Fire.

Monique's name was randomly selected from the 306 pupils who qualified for the competition with every merit earned representing a chance to win.

Well Done Monique!

## 100% Attendance

Once again, a large number of Brockington pupils have successfully achieved 100% attendance during the last half term. Of all pupils at the college, a whopping 58% were present all day, every day from Christmas through to the February half term. Each of the following pupils will receive 5 Carrot Reward Points, automatically added to their account, and a Commendation to reward their fantastic rate of attendance.

## **Voice it!**

As a result of the feedback we received on our 'Anti Bullying' Survey last year, we have launched two new systems designed to make it easier for pupils to log their concerns about Bullying, Anti Social Behaviour or any other concerns about pupils or behaviour in and around the college. The first system is accessed through the school website, where pupils can email the pastoral team (either anonymously or they can provide their name). You can find this by looking at the pupil pages in the 'Care, Guidance and Support' section of the website. The email is checked on a daily basis and then steps are taken to deal with the issues highlighted. The second, similar, system is ran through the 'Voice it' boxes, which are located outside of the Pastoral Office and in the library. Pupils can fill in a form, available in the library, or the front of reception, (some tutors also have forms available in their tutor rooms) and then place it in the box. Again, they can be anonymous or they can give their name.

So far the systems are proving successful. We have found that it has removed the barrier for some pupils, the hardest step can often be telling someone what is wrong, this is much easier to do and much less daunting when it doesn't have to be face to face!

Please keep using the system and keeping us informed. If we are aware we can act, if we don't know about the issue upsetting you then we can't possibly help!

### **Summary of Issues:**

1 issue on school bus	Dealt with by Assistant Principal in charge of buses.
12 issues with other pupils	Dealt with by Year Achievement Co-ordinator/Pastoral Manager
4 concerns over school environment/procedures	Dealt with by Form Tutor/Pastoral Manager
4 out of school issues	Dealt with by Year Achievement Co-ordinator/Pastoral Manager

### **LOST PROPERTY**

Items of lost property are taken to the reception. Named items can, of course, be more easily returned to the rightful owner. Lost property is now displayed outside the main college reception at lunch times, giving pupils a daily chance to reclaim any missing items.

Parents/carers who wish to come and view lost property should telephone reception (0116 2863722) to make arrangements to come and do so after college.

**Due to the volume of lost property, anything remaining after 2 weeks will be donated to charity**

### **HOLIDAY DATES FOR 2012-2013**

#### ***Spring Term 2013***

School closes: 22 March 2013

#### ***Summer Term 2013***

School opens: 8 April 2013  
May Day: 6 May 2013  
Mid-term break: 27 May to 31 May 2013  
School closes: 12 July 2013

### **Identity Cards (Catering Cards)**

Don't forget you can now put money onto student's cards using our online service. It is a secure system that is quick and easy to use.

To transfer the money to their card, all the student needs to do is put their card into the loader.

If you have not yet registered and need another copy of your log in details, please contact the College Office.

## A Place to Grow

Many of you may have seen on the news and in the Leicester Mercury that 'A Place to Grow', where Brockington College has their allotments, has suffered a major loss recently when vandals set fire to the out buildings which housed all the tools and equipment, causing thousands of pounds worth of damage.

'A Place to Grow' has been established for over five years now and has achieved great success, winning several awards. A piece of wasteland has been transformed into a peaceful haven by the various groups who tend the plots, which include children, disabled and the mentally ill.

But that is only half the story. Fruits and vegetables are not the only things grown over there. Many people have been helped by 'A Place to Grow' - in particular, various members of the public have benefitted greatly by being involved with the gardening scheme which offers opportunities to socialise, learn new skills, and more importantly give their lives a goal and new purpose. Many people have flourished alongside the flowers and vegetables, including our students. It would be a tragedy if that were to stop now - which is why we are asking for your help. If you have any tools or equipment you would like to donate, please bring them in to Brockington College for the attention of Miss L Reynolds or Mrs J Salt.

Many thanks for your support. Lesley Reynolds & Jane Salt.

## Sky Sports Living for Sport Teacher of the Year Finalist

Lesley Reynolds, Senior Teaching Assistant at Brockington College, has been shortlisted for the *Sky Sports Living for Sport* Teacher of the Year Award, which recognises the successful way UK secondary schools have used sport to inspire young people in 2012.

Lesley stood out as a shining example because of her dedication to helping change her students' lives through sport. Lesley has been integral in organising Brockington College's successful Sky Sports Living for Sport project which has had a major impact on their students' lives.

Lesley believes that sport can be used to transform lives and her commitment to the initiative has led to over 150 pupils having the chance to participate in Sky Sports Living for Sport projects. In particular, she works with those pupils who are disengaged with school life or struggling either academically or personally, teaching them sporting skills which can help them to improve their lives.

Lesley has shown great creativity and has organised a range of sport-led projects, from traditional sports such as tennis and football to boxing, cheerleading and self-defence. Lesley is energetic and highly committed to ensuring pupils at the school develop into happy, confident young adults.

We wish Lesley the best of luck when she attends the national Awards ceremony at Sky Studios in London on **Friday 15 March 2013**, where the winner will be presented with the *Sky Sports Living for Sport* Teacher of the Year Award 2012 by Olympic gold medal winning sprinter and *Sky Sports Living for Sport* ambassador Darren Campbell.

The Teacher of the Year 2012 and two runner-ups will win £2,000 and £1,000 respectively towards their school's next Sky Sports Living for Sport project.

## Drama and Music News

### Musical Instrument Lessons

Here at Brockington College, we recognise the importance that learning to play a musical instrument can have on a young adult. It can help to promote a sense of self-discipline, self-esteem and enhance self-expression/creativity. We, therefore, encourage as many pupils as possible to start and learn a musical instrument.

Due to the Leicester-shire Arts in Education no longer being able to provide lessons for us, our instrumental lessons will be provided by a team of fabulous private instrumental teachers for the year 2012-2013, and all teachers have options for individual and group lessons to make finding the right type of lesson for your child easier. All teachers have previously worked for the Leicester-Shire Music Service and, as part of the new structure of instrumental teaching, they have all been added to the County Council Associated Teachers Register.

If you are interested in booking lessons for your child then please contact the teacher of the instrument you are interested in as listed below. They will then send out their information and contracts in order to start lessons with them. No lessons will be booked through the school.

If you have any questions, please contact me at the school on 0116 286 3722 or via email [ams@brockington.leics.sch.uk](mailto:ams@brockington.leics.sch.uk)

### Performance Celebration!

**Year 7 – ‘Sing!’ Friday 8<sup>th</sup> February 2013** - Through this first five weeks of the Spring term 2013, all of year 7 pupils at Brockington College learnt how to sing ‘Sing!’ written by Gary Barlow, a song from the countries of the Commonwealth to celebrate the Queen’s Diamond Jubilee in 2012.

All pupils learnt to sing the melody and harmony parts of the song; a group of pupils played percussion instruments authentic to those used in Africa; a group of seven soloists performed all the solo parts, and a group of pupils were in charge of taking pictures and video captures of all classes rehearsing and performing.

We had some very special guests join us for the performance too: The Emmanuel Gospel Choir! They were awesome and joined in with the harmony parts, without any rehearsal! We are so grateful to them and look forward very much to working with them again in the future.

So, what are we going to do with our pictures and video clips? We’re going to make our very own DVD of us singing with a montage of clips taken during lessons and in performance. This will be available for all to see on the school website, along with all of the pictures taken during the project. But even more special, is that we contacted Gary Barlow and Gareth Malone to invite them to our performance. Sadly, they were both busy and couldn’t make it but have both asked for a copy of the DVD for them to watch and they have promised to write back to us saying what they think. Very exciting news!

### Leicestershire’s Got Talent

Well done to the following pupils who have entered the Leicestershire’s Got Talent competition for 2013. No news on how well we’ve done yet, but all performances were great no matter whether you got through or not. Well done!

Joe Crofts 9K, Hannah Jones 7N, Ellie Portas 9K, Tommy Wood 9K, Kieran Goodson 9O, and Sofia Vassallo 8K.

### Future Performances:

**Wednesday 13<sup>th</sup> March 2013** - Brockington Family of Schools Choral Project – two performances, times to be confirmed; tickets will be available from Mrs Shaw at Brockington College and also at each of the primary schools involved in the performance.

**Drama London Trip**

On 28 and 29 November, 44 Year 9 students embarked upon a fun packed two days visiting London and its theatres as part of our extra curriculum learning for Drama.

After a visit to Windsor on the way and a quick change of clothes at our Wembley Hotel, we headed out for our

evening in the capital city. After a lovely meal, we travelled to the Queen's Theatre to watch 'Les Miserables', which was absolutely superb. The next day saw us take in the sights with a flight on the London Eye, a trip to Covent Garden to marvel at the street entertainers and an awesome performance of 'Shrek - The Musical'. The trip was fantastic and I would like to congratulate every single student for their excellent behaviour and conduct at all times during the two days. It was fab! Well done Year 9! Ms Broadfield.

**Bugsy Malone Summer Show June 2013**

A huge 'well done' to all of those pupils in Year 7, 8 and 9 who have auditioned to be part of this year's summer show 'Bugsy Malone'. The standard was so high that casting was virtually impossible! For all those who have been awarded a part, please ensure that you can attend rehearsals every Wednesday night from 3.10 pm until 4.20 pm. It's going to be brilliant.

**Drama Groups within the Community**

Massive congratulations to all those of you who are taking part in Drama outside of school. I know that lots of you have been starring in performances and having a brilliant time. Keep up the good work - I am really proud of all of you! *Please come along and see me if you would like any further details regarding outside of school Drama Clubs. I have lots of information for you if you would like to get involved.*

# MONTHLY MATHS CHALLENGE

Congratulations to our overall winner for December - Mollie Greenwood 7L and our winners for January: MINDBENDER – Guillaume Preston 7K, CREATIVE Challenge – Erin Saunders 7L. Well done to all who took part and now have earned commendations and points towards their 'carrot' stickers :)  
Mrs Howgate

## 2013 January Maths Challenge

### MINDBENDER

2013 is the year and this brings a new challenge. Using ALL the digits in the year 2013 once and only once (you may not use any other numbers except 2, 0, 1, and 3) write down as many different mathematical expressions that give results for the numbers 1 to 100. You should learn many different tricks along the way to help you and you may even surprise yourself how creative you can be to find solutions to 'difficult' numbers.

### Rules

- Use ALL the digits in the year 2013 (you may not use any other numbers except 2, 0, 1, and 3) to write mathematical expressions that give results for the numbers 1 to 100.
- You may use the arithmetic operations  $+$ ,  $-$ ,  $\times$ ,  $\div$ ,  $\sqrt{\quad}$  and  $!$
- **! is a FACTORIAL**  $3! = 3 \times 2 \times 1 = 6$   $0! = 1$   $(3!)! = (3 \times 2 \times 1)! = 6! = 720$
- Indices may only be made from the digits 2, 0, 1, and 3, for example  $2^{1+3} = 16$   
is allowed, as it has used the 2, 1 and 3.
- Multi-digit numbers and decimal points can be used such as 20, 102, .02 but you CANNOT make 30 by combining (2+1)0.
- Recurring decimals can be used using the overhead dots or bar e.g.  
 $0.\dot{1} = 0.111... = \frac{1}{9}$

CREATIVE CHALLENGE On a poster draw the number 2013. Around your drawing write down as many facts as you can think of about the numbers 2, 0, 1 & 3

e.g. 3 is a prime number. 1,3,6,10,15 a triangular number. 1, 1, 2, 3, 5, 8, 13...a Fibonacci number. a triad, triplet, trio, or hat-trick... *Tri-* means three. Triangles have three sides, Three-fold symmetry in the tiger flower (Tigridia pavonia)  
Use pictures to illustrate your poster too 😊

# February Maths Challenge

## MINDBENDER

### Valentine's Chocolates

A firm makes chocolates with a trim around the perimeter of the box and want you to help them to reduce the cost of its packaging in order to keep the cost of the product down.

Your job is to use the least trim possible, but to use the following conditions:

- The chocolate box must be 4cm high.
- The area upon which the chocolates sit must be  $100\text{cm}^2$  in order to fit the entire range of chocolates on it.
- The shape of the box must be a regular shape for aesthetic reasons.

Try the following shapes first, then investigate others:

Equilateral Triangle:

Square:

## **CREATIVE CHALLENGE**

Design a Valentine's Card, which has a traditional heart shape. Use a compass to construct the isosceles triangle with base 12cm and sides 10cm. Construction lines to be left in.

Entries to be handed in to your Maths teachers by Friday 11<sup>th</sup> February

# Trip to the Curve Theatre

Design and Technology and Drama joined forces to offer a cross curricular trip to the Curve Theatre. The pupils were given the opportunity to explore all the different areas involved in being part of a theatre from casting to set design.

We began with a tour of the theatre, visiting the dressing rooms, the stage, behind the stage, the music studio, lighting, rehearsal rooms and costume design rooms. The pupils were able to question the stage manager and find out more about all areas of the theatre.

The pupils were then split into groups and went to different workshops:

**Marketing**—Focusing on advertising and how the Curve promotes itself and the shows.

**Casting**—Looking at how casting directors choose actors/actresses for roles the pupils had to judge an audition.

**Set design/props**—Looking at how the sets/props are created and designed. The pupils had a go at designing scenes for the plays Hamlet and The Tempest.

**Technical Theatre**—Focusing on lighting and how this is set up and created for different productions.

The pupils found the day valuable and learnt a lot about the vast range of careers available in this industry. Below are some comments from the pupils:-

- “The day was interesting and very educational” Martha Causier
- “I had a great time especially designing the stage setting” Isaac Rolfe

# DESIGNER OF THE MONTH

**LUCY CLAMP 9G**

GREAT WORK
WELL DONE
EXCELLENT

DESIGN AND TECHNOLOGY

DESIGNER OF THE MONTH

## LSLSSP Area Badminton Tournament

The under 14 boys team consisting of Martin Beynon 7O, Tom Lund 7O, Sahil Jahangir 9R, and Stefan Grubisic 9R travelled to Bushloe High School to play in the LSLSSP area Badminton tournament sponsored by Center Parcs and emerged as winners after beating all the other entrants.

Pictured are the Boys with their trophy. They went on to represent Blaby and Harborough at the County Finals.

### 5 February County Finals

The boys played very well in the County Finals on the 5 February and finished a very creditable 5th/6th place. Mr Baker.

## Year 9 - Hockey Results 19 February

Drew 1-1	Lutterworth High	(Player of the match – Erin Hall)
Lost 2-0	Kibworth	(Player of the match – Ellie Cowe)
Lost 1-0	Leicester Grammar School	(Player of the match – Erin Hall)
Lost 1-0	Welland Park	(Player of the match – Hannah Franks)

## Brockington Ski Trip 2013

At 2:20 pm on 25 January 2013, 77 pupils and 11 members of staff departed Brockington College; roughly 22 hours later we arrived at the beautiful resort of Claviere, Italy. The evening then was filled with unpacking, ski equipment fitting, food and general relaxation for the day ahead.

The next 5 days involved an early rise at 7.15 am,

ready for 2 hours of hard skiing in the morning, a quick pit stop for lunch before being back out on the slopes for another 2 hours skiing. Whilst skiing, the weather was bright, sunny and excellent skiing conditions. On the odd morning where skiing was less easy due to icy conditions, all pupils battled on with the constant determination to do well. Especially the first day, with a 3 hour beginner's lesson; this was the first time the majority of pupils, and some staff, had worn skis, and the fall count was high! But, everyone took this in their stride, and continued with the level of determination that would set the bar for the next few days. It was noticed, amongst instructors and staff alike, how determined our pupils were to improve. Their hard work paid off with all students coming off the slopes happy at each day's achievements. The most exciting, and probably tiring, day of all was Thursday. The majority of the pupils took the chair lift to neighbouring Montgenèvre, over the border into France. This was a tough, gruelling day, but one that all participants enjoyed fully and discussed well into the next day!

After each full day of skiing, the pupils had an organised activity for the evening, these ranged from quizzes to a disco, even ice skating on an open air tennis court!

The week went extremely fast and it was soon Friday, the day of our return. After a morning of skiing, and lunch at the hotel, we boarded the coaches for the return journey. 23 hours later we all arrived back at Brockington College very tired but eager to tell stories of the week to friends and family.

### **Pupil Report Ski Trip Claviere 2013**

*Friday 25<sup>th</sup> January, Brockington College finally set off to Claviere for a week packed full of fun! Two coaches full of excited kids departed from school. We were on the coach for 22 hours altogether and a ferry for 1 and a half. When we finally got there we were even more stunned at the sights of the snowy mountains. The hotel wasn't too bad considering it was a 2 star hotel. We all ate lunch, and then we got our rooms and keys. Next we relaxed and group by group we went to the boot room to get our ski boots, our skis, and helmets. After all of this we had dinner then were allowed to go to our rooms and relax for the rest of the night, so we were ready for tomorrow's first skiing lesson.*

*The next morning, all pupils were awoken with a bang on the door. We went downstairs and sat down for breakfast, knowing the fun we had ahead of us. Our ski lesson had started, it was 2 hours long on the first day, it was absolutely amazing. We then went for lunch. After lunch we went back to our rooms and got freshened up for dinner, but before we had free time! We were allowed to go out in Italy to the shops and buy sweets and souvenirs for our family. Our evening entertainment was karaoke at the local pub. Our other evening entertainments were ice skating, disco, quiz and football table tournament. At our evening dinner the 'wally of the day' was announced and they had to wear a silly hat.*

*Overall this was the best school trip we have ever been on ☺. By Nellie Goodwin, Leanne Baraclough, Paige Rowell.*

## Brockington College's Artificial Grass Pitch

Our full size 3G pitch can be used for football and training for a range of sports and is fully floodlit and covered by CCTV. The rubber crumb pitch is available to hire any evening of the week, (where spaces in the timetable permit) for casual pay and play use, as well as weekly team training. The pitch can be hired by the third or in its entirety, (our thirds are approximately three times the size of some operators' small sided pitches). We also hire out the facility on Saturday and Sunday too if you need a surface that won't get muddy in winter! Whether you want a pitch for a one off football game or need a pitch to train on a weekly basis, we offer competitive prices and a state of the art playing surface to suit your sporting needs.

*For more information, please contact Steve Buck (lettings@brockington.leics.sch.uk) or 0116 286 3722 for availability and prices.*

Artificial Grass Pitch Sponsors  
are:-

**Narborough & Littlethorpe Action Group  
Parents and Friends of Brockington College**

### HOLIDAY DATES FOR 2013-2014

#### **Autumn Term 2013**

School opens: 29 August 2013  
Mid-term break: 21 to 25 October 2013  
School closes: 20 December 2013

#### **Spring Term 2014**

School opens: 7 January 2014  
Mid-term break: 17 to 21 February 2014  
School closes: 11 April 2014

#### **Summer Term 2014**

School opens: 28 April 2014  
May Day: 5 May 2014  
Mid-term break: 26 May to 30 May 2014  
School closes: 11 July 2014

### Adult Learning at Brockington

We offer a variety of daytime and evening classes for adults in the following curriculum areas: Arts, Care & Vocational, Sports, Languages, Skills for Life and IT. Courses we are offering include new '5' week Botanical Drawing and Painting, Ballet, ITQ Computer Workshop and Textiles Courses.

If you are interested in joining a course, or would like some more information or advice on courses throughout the county, please do not hesitate to contact the **Central Enrolment Team: Freephone 0800 988 0308.**

**FREE ENGLISH, MATHS and ICT** courses for Adults. For terms and conditions see the Leicestershire Adult Learning Website: [www.leics.gov.uk/golearn](http://www.leics.gov.uk/golearn)

Up to 100% discount for those in receipt of benefits – please ring for further information **0800 988 0308.**
