Dear Parents/Carers and Friends of the College,

Message from the Principal

As you will have read in my recent letter, the 11-16 consultation process returned a very clear message from the community that there is large scale support for Brockington College becoming an all through secondary school and offering education up to the age of 16. The Governors of the college share this view unanimously and are committed to extending the age range of the college in order to develop continuity of provision for the children of the local area, with direct educational benefits.

We are currently compiling a business case for a change of age range status, which we will forward in due course to the Government. The business case will contain our plans for age range change, alongside the reasons why a move to 11-16 schooling will have a direct positive impact upon the education of the children within the locality.

Although we are making plans for how we can better serve pupils in the future, I can assure you that the primary focus of governors, senior leaders, middle leaders, teachers and support staff is upon the pupils that we currently serve. As a measure of our current performance, self-evaluation shows that the college has exceptionally high standards within the four areas measured by Ofsted. This rigorous self-evaluation is based upon lesson observations, pupil work reviews, marking reviews, staff feedback, pupils conversations, governors evaluation and parental feedback. We want to provide the best education that we can for our current pupils and to develop further as we serve pupils of the future.

One of the changes made at Brockington in recent times has been the move to Academy Trust Status. This was undertaken to improve educational outcomes for pupils and I have been asked the question from some parents, "What have been the benefits of a move to Academy Trust Status?" Consequently, I thought it would be useful to share my answer with all parents: The main advantage has been the increase in finance released directly to the college rather than through the Local Authority. This has allowed us more control over how we spend our budget and we have directed finances at an improvement in the educational and personal development of all pupils. Just a few examples of this are as follows:

- Investment in the appointment of staff, which has allowed increased opportunities for pupils to work in a small group especially in the core subjects of English and Maths
- Recent appointment of a school Gifted and Talented Co-ordinator with specific work to be undertaken from the start of the next academic year

- Increased support for pupils whose reading age is lower than their chronological age through purchase of 'Lexia' software
- Appointment of two further senior leaders which has provided the capacity for senior leaders to work directly on the continued improvement of both teaching and learning and pupil achievement
- With regard to the care of children, we now have a School Health Co-ordinator, a Learning Mentor with increased hours and an Attendance Improvement Manager. These members of staff support a Pastoral Team that has both a Year Achievement Co-ordinator and Pastoral Manager for each Year Group
- The development of our ICT infrastructure across the school that provides five computer rooms, specialist ICT equipment in most subject areas, laptops for use within lessons and a new state of the art laser cutter within Design and Technology.

We feel that these and other improvements, alongside the continued hard work of staff at the college, have directly led to our ever increasing high standards. Some examples of which are an increase in good or better teaching from 70% to 91% during 2012-13, a continual improvement in pupil standards across all subjects over the past three years such that achievement in all subjects is well above national and county standards and exceptionally high rates of pupil attendance, punctuality and happiness (as fed back from parent questionnaires).

The move to Academy Trust Status has been a factor in our success, benefits current pupils and will help us move to the next stage of our development.

Dates for your Diary

Year 8 Transition Day to Lutterworth College

Monday 17 June 2013

Year 9 "Prom" (Invitation Only)

Friday 28 June 2013

Year 9 Commemoration Evening

Wednesday 3 July 2013

Year 7 (2013/2014) Welcome Day/Evening

Monday 8 July 2013

Year 9 Induction Days at Lutterworth College

Monday 8 July to Wednesday 10 July 2013

Behaviour for Learning (Reward Trips)

Years 7 and 8 Tuesday 9 July 2013

Year 9 Thursday 11 July 2013

BROCKINGTON MATTERS

Leave of Absence/Holidays Change in Law from September 2013

Could all parents/carers please be aware that there has been a change in the law regarding leave of absence from school in order to take a holiday. From September 2013, we will not be able to authorise any leave of absence for the purpose of a holiday unless there is a very exceptional circumstance. An exceptional circumstance would involve bereavement of a very close relative or a very serious medical condition of the pupil such that a holiday would improve the pupil's physical and/or mental health. Financial benefits of taking a holiday in term time or fitting in with parental/carer holiday from work will not be considered as exceptional circumstances.

The full advice we have received is as follows:

From 1 September 2013, the reference in law to Head Teachers/Principals being able (at their discretion) to agree up to 10 days of leave of absence will be removed. Instead, the legal reference will be amended and will mean that schools should not authorise leave of absence unless:

- An application has been made in advance by the parent with whom the pupil normally resides AND
- The Head teacher/Principal considers that there are **exceptional circumstances** relating to the application

PERSONAL ACCIDENT INSURANCE FOR PUPILS **SCHEME ARRANGED WITH ZURICH MUNICIPAL INSURANCE CO.**

It is often assumed by parents that if an accident occurs at school, the school can be held responsible and that financial compensation will therefore be made. It cannot be emphasised too strongly that the liability of the school is strictly limited to cases where there is proven evidence of negligence.

In the vast majority of cases, the injuries sustained are minor and the circumstances of the accident will reveal no evidence at all of negligence on the part of the school. There are, however, some accidents which can have long term consequences or result in some form of permanent disability but still without any evidence of negligence on the part of the school. The advantage of a personal accident policy therefore, is that whilst in no way preventing further action to seek damages in cases where negligence is alleged, payments under the policy are made on the basis of the injuries sustained and are not conditional on proving liability.

In order to provide parents with the opportunity of arranging appropriate insurance cover at a very competitive cost, the Local Authority has arranged a scheme with Zurich Municipal Insurance Co. at a cost of only £12.00 per year (including tax and administration). The policy runs from 1 September to 31 August of the ensuing year and provides cover for 24 hours a day, 365 days per year and so is not limited to just when children are at school. If you are interested in arranging such cover for your child, Summary of Cover Sheets and Application Forms can be obtained from the school. Completed forms should then be returned to the school accompanied by a cheque for £12.00 made payable to the school. Confirmation of cover together with a copy of the full policy will subsequently be forwarded to you by Insurance Team via the school.

Please note that if you wish to arrange cover for your child but he/she is transferring to another school from September, it will be necessary to make contact with the new school/college to make the necessary arrangements, assuming that the school is participating in the scheme.

IMPORTANT!

SAFETY AND THE USE OF

MEDICINES IN SCHOOL

There have been an increasing number of children coming into school with medications, asking for them to be administered.

For the safety of your child and others, we have a strict policy on the administration of pharmaceutical drugs and therefore we must insist that every child required to take medication in school has a '**Completed Written Consent Form**'.

- You will need to provide the medicine in its original container (you may, of course, wish to reduce the amount of contents, sufficient for use during school time)
- Let us know the dose to be given and when
- Ensure an expiry date is visible
- Have clear labelling on any medication i.e. name of your child on the box, bottle or inhaler

Children who rely on medication such as Inhalers or diabetic testing equipment **MUST** keep them accessible at all times, including P.E. sessions. Any other medication must be locked away and a consent form for use completed.

Medicine that has expired will be safely disposed of at a pharmacy. Where medication is left unused, you will be sent a letter offering you the opportunity to collect it within 10 days or it will be disposed of.

We regret that any medication handed in, loose or without signed written consent, cannot be administered by staff. Children who are found to be carrying medication without consent will be asked to hand them in to myself, until you are able to collect them.

Forms are available to download on the Brockington website, or you may request a copy from reception.

We would like to thank you for your co-operation and understanding in this matter.

Mrs Williamson
School Health Co-ordinator (Extension 109)

FIRST AID ROOM

Please can we remind you that our facilities are **NOT** staffed by medically employed personnel with diagnostic equipment. Our facility is set up for first aid provisions and is **NOT** as a medical clinic.

If your child is poorly, or has an injury **prior** to coming into school, please can we request that you seek the correct medical advice as appropriate to their needs.

If you need to convey medical information, we will co-ordinate the medical information between appropriate members of staff and the school nurse for you, if required.

Please note: we are unable to provide limb support strappings for P.E. or post surgical wound dressings (these will need to be provided by your GP surgery or yourself).

RISK ASSESSMENTS

(to assess their safety & to evaluate evacuation procedures whilst they are in school)

If your child is unfortunate enough to sustain an injury that limits mobility or if they have ongoing ill health, they will require a risk assessment.

We would like to request the following:

- Please make an appointment for your child's risk assessment (before they return into school) after 9.00 am.
- If your child requires a risk assessment because they have a serious condition or are on crutches, **you will need to be present** during the assessment.
- If your child requires the use of crutches, the injury must have been medically assessed and the crutches must have been supplied by a medical professional (medical evidence *may* be requested, i.e. Dr's letter/hospital appointment, before their return).

We would like to reassure you that our procedures are in place to help ensure your child's safety in school and thank you for your co-operation in this matter. Please call if you would like any help or advice.

Regards, Mrs Williamson
School Health Co-ordinator (Extension 109)

Voice it!

As a result of the feedback we received on our 'Anti Bullying' Survey last year, we have launched two new systems designed to make it easier for pupils to log their concerns about bullying, anti social behaviour or any other concerns about pupils or behaviour in and around the college. The first system is accessed through the school website, where pupils can email the pastoral team (either anonymously or they can provide their name). You can find this by looking at the pupil pages in the 'Care, Guidance and Support' section of the website. The email is checked on a daily basis and then steps are taken to deal with the issues highlighted. The second, similar system is run through the 'Voice it' boxes, which are located outside of the Pastoral Office and in the Library. Pupils can fill in a form, available in the library, or the front of reception, (some tutors also have forms available in their tutor rooms) and then place it in the box. Again, they can be anonymous or they can give their name.

So far the systems are proving successful. We have found that it has removed the barrier for some pupils, the hardest step can often be telling someone what is wrong, this is much easier to do and much less daunting when it doesn't have to be face to face!

Please keep using the system and keeping us informed. If we are aware we can act, if we don't know about the issue upsetting you then we can't possibly help!

Summary of Issues:

13 Issues with other pupils	Dealt with by Pastoral Manager/ Year Achievement Co-ordinator
7 Issues regarding uniform	Dealt with by Pastoral Manager/ Year Achievement Co-ordinator
5 General concerns	Dealt with by Year Achievement Co-ordinator/ Curriculum Leader
4 Issues raised by parents	Dealt with by Pastoral Manager/ Year Achievement Co-ordinator/Principal

Parent Pay - Payment for College Trips and Catering

Parent Pay is a secure on-line payment system that is quick and easy to use.

All school trips must now be paid for using this system. Once signed up you can see at a glance exactly what you have paid for. Receipts are emailed each time you make a payment. Payments for end of year reward trips will only be accepted via Parent Pay.

Catering payments should also be made using Parent Pay. This will also allow you to top up your child's card quickly and easily at any time or day.

From September 2013 we will no longer be accepting cheques or cash payments.

Anyone preferring to use Paypoint should contact the College Office for further details.

If you have not yet registered and need another copy of your log in details, please contact the College Office.

BROCKINGTON NEWS

Brockington Spelling Bee

In March Brockington hosted its first spelling bee. Every child participated in the first round, having to spell at least 30 words. The two best spellers from each form went through to the second round. At this point words became very difficult but all pupils performed fantastically, spelling words such as 'ecclesiastical' and 'paraphernalia' to name but a few.

The final heat involved the best sixteen spellers battling against each other to win points for their house as well as individual prizes. The overall winner was Curtis Stratford (9L) for Stuart, followed in second place by Elizabeth Wain (9G) of Windsor. Third place was taken by Isaac Rolfe (9C) of Tudor and Orla Canavan (9T) gained fourth place for Plantagenet.

A big well done to all pupils for having a go and learning some new words.

The Finalists

Musical Instrument Exam Results

A huge well done to the following pupils on passing their musical instrument exams. They have been working really hard to learn pieces and scales for their exams and have all done exceptionally well! Well done everyone!

Kate Wesson	(8T)	– Grade 1 Keyboard with Merit
Alex Whitehouse	(8G)	– Grade 2 Guitar with Merit
Lucy Power	(8R)	– Grade 3 Keyboard with Merit
Ben Hunter	(7O)	– Grade 3 Trumpet with Distinction
Fay Cobbin-Corser	(8T)	– Grade 3 Flute with Merit and Grade 1 Keyboard with Merit
Kathryn Leach	(7R)	– Grade 2 Clarinet with Distinction

Musical Instrument Lessons

Here at Brockington College, we recognise the importance that learning to play a musical instrument can have on a young adult. It can help to promote a sense of self-discipline, self-esteem and enhance self-expression/creativity. We, therefore, encourage as many pupils as possible to start and learn a musical instrument.

Due to the Leicester-shire Arts in Education no longer being able to provide lessons for us, our instrumental lessons will be provided by a team of fabulous private instrumental teachers for the year 2012-2013, and all teachers have options for individual and group lessons to make finding the right type of lesson for your child easier. All teachers have previously worked for the Leicester-Shire Music Service and as part of the new structure of instrumental teaching they have all been added to the County Council Associated Teachers Register.

If you are interested in booking lessons for your child then please contact the teacher of the instrument you are interested in as listed below. They will then send out their information and contracts in order to start lessons with them. No lessons will be booked through the school.

If you have any questions, please contact Mrs Shaw at the school on 0116 286 3722 or via email ams@brockington.leics.sch.uk

Eco Schools

Brockington College has been participating in the SCORE (School Collaboration On Reduction of Energy) programme for almost nine months now.

It has been a steep learning curve with many surprising findings on how we use energy around the college. We identified many areas where we could improve and set ourselves a target of reducing our energy bill by 10 % by December 2013. So far, we have been able to save 5% off our energy bill. How did we do it? Everyone got involved. Eco – committee pupils, Premises Officers and staff have identified areas around the school in which we could reduce the energy consumption and we set to work. We have adjusted lights, temperature and by using Simplicity software, we are able to tell how much energy we use at any time. Pupils really enjoyed the monitoring of energy consumption, analysing the graphs and suggesting further ways of how we could improve.

We are hoping to reduce our energy bill even further by December. If you come into the College, please help us. Do not leave lights on and do not keep equipment on standby.

Thank you. Eco – Committee.

Here are the Star Achievers and Rising Stars for this half term in English.

STAR ACHIEVERS	<u>Year 7</u>	<u>Year 8</u>	<u>Year 9</u>
Band 1	Georgia Foley (7C)	Sarah Beynon (8R)	Bethany Hurst (9C)
Band 2	Luca Piccinno (7L)	Lauren Taylor (8I)	Naomi Patel (9I)

RISING STAR	<u>Year 7</u>	<u>Year 8</u>	<u>Year 9</u>
Band 1	Georgia Ogden (7R)	Oliver McAllister (8R)	Charlie Mellors (9C)
Band 2	Rafe Walton (7K)	Bradley Bluden (8I)	Jack Bate (9K)

Keep up the hard work, it could be you next time! The English Department.

Congratulations!

- To Karina Shah (9G) and Charlie Murgatroyd (8G). Both girls attended the very prestigious Lord Lieutenants Awards ceremony on 11 April at County Hall. They had been nominated for awards in different categories and were shortlisted from hundreds of young people aged between 13 and 19 years across Leicester and Leicestershire.
- Karina won a runner up prize for the Young Artist of the Year and was narrowly beaten by a 17 year old Art student.
- Charlie was nominated for Young Braveheart of the year and won her category...before going on to win the overall Young Person of the Year 2013!!

Mrs London and Mrs Avery-Wilson both attended the ceremony and dinner and were immensely proud of both girls...WELL DONE!

DESIGN & TECHNOLOGY After School Food Tech Club

To further enhance their cooking skills, pupils in years 7 and 8 attend a Food Tech Club on Wednesdays where they develop their skills making different products. The pupils get the chance to try more advanced recipes and really enjoy testing the food afterwards.

MATHS CHALLENGE

Congratulations go to Megan McCabe (8I) who won the Maths Challenge for March and to Jason Pascoe (7L) and Adriana Lobosco (7B) who won the Mindbender and Creative Challenge (respectively) for April.

The entries for May have now been handed in and the winner will be announced shortly. June will see the last Challenge of the year. All points will then be added up to find the overall winner for 2012/2013 ☺.

APRIL MATHS CHALLENGE

MINDBENDER Squares in Rectangles

Can you see how

A 2 by 3 rectangle contains 8 squares A 3 by 4 rectangle contains 20 squares

A 4 by 6 rectangle contains 50 squares

What size rectangle contains exactly 100 squares?

Is there more than one?

Can you find them all?

Can you prove that there are no more?

See the worksheet attached to your email for hints to help with this investigation

CREATIVE CHALLENGE

Design a poster for your classroom on one of the topics you have studied in Maths this year.

See the power point attached to your email for ideas ☺

Entries to your Maths teachers by Friday 19th April

MATHS CHALLENGE -MAY

MINDBENDER - BRAIN TEASERS !!!

- (1) An eight-digit number contains two 1's, two 2's, two 3's, and two 4's. The 1's are separated by one digit, the 2's by two digits, the 3's by three digits, and the 4's by four digits. What is the number?
- (2) Find a five-digit number that is reversed when multiplied by 4
- (3) A woman and her grandson have the same birthday. For six consecutive birthdays, she is an exact multiple of his age. How old is the grandmother on the sixth of these birthdays?

ANSWER ALL 3 QUESTIONS TO WIN 😊

CREATIVE CHALLENGE

Design either your own **Maths Game** or **Maths Puzzle** games like Fraction Action Snap, Coordinate Bingo, Times Table Snap

Or Design a **Maths Board Game** e.g. a game similar to **Stairs and Slides** basically this is 'Snakes and Ladders' with a Maths twist. Each square that you land on could contain a multiplication question that must be correctly answered before you can move on.

ENTRIES TO YOUR MATHS TEACHERS BY FRIDAY 10th MAY

Claire Lomas - 400 mile Cycling Challenge

On Monday 22 April, Brockington College pupils had the chance to meet Claire Lomas as part of her 21 day 400 mile cycling challenge. Brockington College pupils raised over £7,000 for Spinal Research and The Nicholls Foundation which Claire is raising money for. A small group of year 9 pupils helped with the collections that were held and some pupils had a go in Claire's hand cycle.

Pupils meet Olympic Swimmer Ross Davenport

A group of PE Gifted and Talented pupils had the opportunity to meet Olympic swimmer, Ross Davenport, on Tuesday 30 April. They had a talk about his Olympic career which included his training programme, nutrition, the highs and lows of being an elite athlete and the sacrifices he had to make. Pupils also had the opportunity to ask Ross questions and find out more about the commitment needed to be an athlete sports person.

National Equitation Competition

Isobel Moulding of 9R has recently enjoyed success in horse riding, coming third in the British Horse Society 13 years and under National Equitation Competition held in Warwickshire in April 2013. The championship comprised of a dressage test, showjumping course and a set of equine related general knowledge questions. To reach the National Finals, Isobel won the Regional Finals, which were held in February 2013. In 2012, Isobel won a top ten place in the Pony Club Championships; it seems we have one very talented horse rider in our midst!

Well done Isobel.

Cooking Competition Tuesday 9 July Brockington Masterchef 2013

During the last week of term we are looking for up to 10 entrants to the Brockington Masterchef competition. Pupils will be cooking their own starter and main course within two hours. Anybody wishing to enter will be expected to work independently and be able to present their work at a set time and adhere to stringent hygiene rules. All applicants will need to submit their idea for starter and main course to Mrs Clarke by the end of May by email only (fed@brockington.leics.sch.uk). Make sure to include reasons why you should be chosen, along with recipe ideas. The theme is SUMMER... there is a prize for the winning participant.

Brockington Pupils Represent Leicestershire in a Badminton Tournament in Yorkshire

Three of Brockington's Year 7 boys represented Leicestershire, at under 12 level, in a Badminton Tournament in Yorkshire during April 2013. They were Martin Beynon (70), Thomas Lund (70) and Jack Durrance (7K).

Leicestershire came third out of the six counties that entered and the players were awarded a bronze medal.

Well done.

Year 8 Match Report Under 13 Leicestershire Cup Final Brockington College vs Bushloe High School - Wednesday 1 May 2013

The year 8 boys' team went into this final after finishing unbeaten in the South Leicestershire League for the second season running. Their only defeat came in the English Schools Cup against a strong West Midlands school. The boys were buzzing for this game and arrived smartly and in good time to prepare for the match. The game began quite evenly with both sides eager to get the ball forward as quickly as possible and to test each other's approach to the game. Despite a few nervy openings created by the Bushloe strike force, the team began to show their quality with Aaron Girn, Mitchell Fairhurst and Rubyn Gill all going close to breaking the deadlock. The breakthrough soon arrived as Lewis Gibbens, who had just returned to the pitch after intensive treatment, rose at the far post to nod down a precise cross from captain Mitchell Fairhurst. Brockington refused to rest on this start and were 2-0 up minutes later when Aaron Girn finished from close range.

Halftime - Brockington 2 0 Bushloe.

We knew that Bushloe would be dangerous on the break due to their very pacy front man, but Charlie Jones and Arish Cheema were resolute and manfully defended this threat for the whole 70 minutes. The early stages of the second half are always a concern, particularly when holding a 2 goal lead, yet with Joseph Merry and Rubyn Gill who played very well in centre midfield, Bushloe rarely threatened. Further goals from Aaron Girn and a great team goal by the impressive Gill, secured victory. Man of the Match was awarded to Charlie Jones. Final score Brockington 4 - 0 Bushloe. The team would like to thank the following people for all their effort, time, coaching and patience over the season, in particular: Mr Steve Buck, Mr Platts, Mr Lee Harriman and Mr Paul Culpin.

Final Score Brockington College 4 - 0 Bushloe High School

Brockington College's Artificial Grass Pitch

Our full size 3G pitch can be used for football and training for a range of sports and is fully floodlit and covered by CCTV. The rubber crumb pitch is available to hire any evening of the week, (where spaces in the timetable permit) for casual pay and play use, as well as weekly team training. The pitch can be hired by the third or in its entirety, (our thirds are approximately three times the size of some operators' small sided pitches). We also hire out the facility on Saturday and Sunday too if you need a surface that won't get muddy in winter! Whether you want a pitch for a one off football game or need a pitch to train on a weekly basis, we offer competitive prices and a state of the art playing surface to suit your sporting needs.

For more information, please contact Steve Buck (lettings@brockington.leics.sch.uk) or 0116 286 3722 for availability and prices.
