

PUPIL EQUIPMENT FOR COLLEGE

The following items are the minimum required for daily use at the college:

- Full Physical Education Kit (see uniform policy)
- Wallet (to carry equipment and books)
- Locker Key
- Pencil Case
- Pens
- Pencils
- Coloured Pencils
- Rubber
- Ruler
- A set of small unbranded ear buds or headphones

Pupils will also be required to purchase specialist equipment for certain subjects, particularly in Year 10 and Year 11.

Pupils can purchase items from the school 'Cabin' using our cashless system.

At the start of the academic year the college will issue pupils with the following items for daily issue.

- A wallet to carry equipment around the college
- A locker key (on receipt of £10.00 payment via ParentPay). We strongly suggest that pupils develop good practice with locker keys by using a key ring, a device to attach the key to a trouser belt loop or a hair band with the key on around the wrist. Loose individual keys are easily mislaid.
