LEARNING TO LIVE LIFE TO THE FULL

October 2017

Dear parents/carers,

As part of our programme for preparing our Year 11 students for their Summer exams, we have scheduled a series of mock examinations to begin on **Friday, 1<sup>st</sup> December 2017** until **Friday, 15<sup>th</sup> December 2017**. As with Year 10 mock exams, those taking place in December are designed to give students a realistic experience of an examination setting, and a chance to judge where they need to focus their efforts on the run up to the Summer 2018 exams. The timetable for these exams can be found accompanying this letter on the school website.

I would encourage all pupils to take these exams very seriously in the coming weeks and to devote quality time to revision. Subject staff will also be advising pupils what they need to revise and most departments have now set up after school revision sessions; staff will be advising pupils to attend these sessions where they feel it would be beneficial and I would recommend that all students take these opportunities.

In order to give you the very latest information regarding the mock exam process and to give you some guidance on how to support your child with their preparations, we have scheduled a **Strategies for Success** evening on **Wednesday, 8<sup>th</sup> November 2017** from 6pm-7pm. Parents/carers and pupils will be given a full overview of the mock exams and the various support sessions that are taking place across school, and will also have a chance to listen to some of our staff give their hints and tips for a successful mock exam fortnight. Whilst the evening is aimed at parents/carers, you are most welcome to bring your child to the evening with you.

If you have any questions regarding the mock exams please don't hesitate to contact either myself or Mrs Warner, the Exams Officer, at College.

Yours sincerely,

Jon Barton  
Assistant Principal
