Brockington Bulletin October 2015 Edition

*Mr Chris Southall,
Principal*

Our 'Learning to Live Life to the Full' motto has certainly been demonstrated over the first half-term of this academic year by pupils and members of staff alike.

Becoming an 11-16 secondary school has been a challenge for our whole community, but one that has been accepted with great gusto by members of staff and Year 10 pupils. As I write this section, the first ever set of Year 10 assessment grades are making their way home to parents. As a school, we are analysing each child's grades across every subject and will be providing support opportunities for particular pupils both inside and outside of the classroom. All Year 10 pupils studying double science completed their first 'controlled assessment' recently and I am delighted with the response of both the Year 10 pupils and their teachers to this challenge.

In other year groups, our Year 7 pupils have had a very encouraging first half-term and are, in virtually all cases, rolling their sleeves up and meeting the challenge of secondary school. It was lovely to finish the half-term with a visit to Enderby Parish Church for Harvest Festival.

In some respects, Year 8 is the most critical year at secondary school. Pupils have had their first year of excitement at moving to secondary school, but are not yet at the stage of selecting their option choices, whilst the GCSE challenge is further down the line. It is a critical year to push on from Year 7 in preparation for those challenges ahead.

The recent focus in Year 9 has been around option selection. This has undoubtedly focussed pupil minds on academic progress and Year 9 pupils are generally making very good progress in their GCSE RS course, as well as across other subjects. They have taken a very serious approach to option selection and I would thank Year 9 parents for their support in this respect.

There is information within the bulletin from Umesh Patel, a parent governor at the college, about the new building. I can update you further to let you know that the whole building is now complete and ready for occupation, which includes carpeting, air conditioning and interactive whiteboards throughout the sixteen new classrooms, canteen, office spaces and corridors. I would commend to you the work of our Site Manager, Dale Richardson, in successfully project managing this venture.

Finally, I want to publicly express my thanks to all members of staff at Brockington College for their continued hard work. Working in a secondary school is intense enough without the added pressure of a range of recent government educational changes, let alone our change to 11-16 status. I honestly could not wish for a better group of caring professionals to share this journey with and to inspire your children.

Our Values

Justice
Learning
Compassion
Forgiveness
Perseverance

Wisdom
Koinonia

Pupil Safety

It would be a great help to the environment and to child safety, if your child is able to travel to and from school on foot, by cycle or by bus. If this is not possible, we would ask you to consider car sharing and lifts by car on limited occasions.

If you do have to pick up or drop off children, it is essential that you park in the designated areas only and not on the perimeter of the school car park, which obstructs others and creates danger for pupils.

Please also be very careful when driving near to or on the school premises as we all know that children can be very unpredictable.

Please remember that vehicles should only be driven through the barrier to the main college entrance if absolutely necessary.

Drivers should be mindful of the 5 mph speed restriction and proceed with caution, especially just before and after school, to ensure the safety of our pupils as they walk along the driveway. Thank you.

Maths Update – News, Trips and External Speakers

This term will see fifteen lucky Year 9 students attending the famous 'Christmas Lectures' based at Oxford University. This event enables pupils to see Maths and Science in action and the experience of attending such a profound University.

The trip on Tuesday 8 December will involve a tour, quiz and attendance at two talks. The first is by Thomas Wooley, looking at fun applications of Mathematics to real life applications. The second talk is by Nick Tosca on Earth Science and the significance of scientific and mathematical disciplines to the modern world.

Our participation in all the UK Maths Challenge events will continue this year. Our challenge this time is to match, if not better, the fantastic effort of last year's participants, Charlotte E Moore, Jack Rawson, Denis Barker and John Meadows in the Team Event at Ratcliffe College, when they finished sixth across the region! The individual Junior and Intermediate Challenges will take place again in school in February and April respectively.

STEM speakers, who work in industry and research, will be attending the college in November to talk about their experiences since being in education and provide the students with an insight into potential careers. These will be pitched at Year 9 and Year 10 students. Last year, Rolls Royce attended and provided an in depth talk about the application of mathematics in engineering and the exciting and rewarding opportunities our subject offers.

Updates from the above events and talks and information about more trips in 2016 will be posted in the New Year!

Mr Higham

Administration of Medicines

ALL medicine users, including those with an inhaler, must have a signed Administration of Medicines consent form, signed by the parent/carer. These are available on the college website or at reception.

Due to limited storage capacity, medicines **must not exceed 100 ml or 32 tablets**. Medicines must be in the original packet/container and must be clearly labelled with your child's name.

There are a number of children in school that carry 'emergency medicines'. Please ensure that you:

- Tell your child to carry emergency medicines with them at all times
- Check the expiry dates of emergency medicines
- Label emergency medicines with your child's name and form
- Consider providing spare emergency medicine to be kept in the First Aid room
- Tell your child to carry inhalers with them in PE lessons (a small labelled container will help to prevent loss)
- Check your child takes emergency medicines with them on school trips

Reminder Food Technology

Please ensure pupils come to practical lessons with an apron, which is school uniform, and bag to take items home in. Aprons can be any colour or pattern and prizes are awarded every year for the best aprons.

As all lessons are one hour, for any students bringing their own ingredients please ensure they have already been weighed at home. Mrs F Clarke.

Pupil Belongings PE Changing Rooms

Pupils must ensure that they take home with them all their belongings at the end of PE lessons and after extracurricular practices/matches. The changing rooms are used in the evenings by the community and things left in them might not be there the next morning. It is also important that all items of clothing are clearly labelled with the child's name and form. Mr Platts

Relationship and Sex Education at Brockington College

The statutory requirements for RSE (Relationship and Sex Education) state that:

<p>At Key Stage 3 pupils should have opportunities to</p> <ul style="list-style-type: none"> • Explore the qualities of relationships including friendship • Explore the qualities of a loving, respectful relationship • Develop coping strategies to deal with challenging relationship scenarios • Develop strategies to avoid and resolve conflict • Explore the implications of sexual maturation and • Explore the emotional, social and moral implications of early sexual activity 	<p>At Key Stage 4, the opportunities discussed at KS3 are developed further and pupils focus on developing three main skills which are</p> <ul style="list-style-type: none"> • The ability to recognise, assess and manage risk in a range of real-life contexts • Developing their understanding of relationships and sexuality and the responsibility of healthy relationships and • Developing an understanding of the roles and responsibilities of parenting
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Using these guidelines PSHCE at Brockington College addresses the issues surrounding relationships and sex. Each year group has a specific module an overview of which is highlighted below

Year	Module	Topic
7	Staying Safe	Includes information on: <ol style="list-style-type: none"> a) the different types of relationships they will experience in their life b) The features of both positive and negative relationships c) Dealing with changes in friendship and how to cope with peer pressure d) Where and how to get help if needed
8	You, Me and Dupree	Includes information on: <ol style="list-style-type: none"> a) Strengthening individual awareness of the features of a positive relationship b) Dealing with negative relationships including the signs of domestic abuse (including within teenage relationships); Forced marriage vs arranged marriage and the support services available c) The impact of technology on relationships and how to stay safe using technology
9	RSE	Includes information on: <ol style="list-style-type: none"> a) Legal issues around the age of consent and when is the right time to have sex b) The importance of safe sex (introduction to contraception) and the consequences of unprotected sex (STI's) c) How to say 'no'
10	Bringing up the Baby	Includes information on: <ol style="list-style-type: none"> a) Strengthening individual awareness of the features of a positive and negative relationships b) The importance of safe sex c) The implications of teenage pregnancy - financial, emotional and physical d) Strengthening their awareness of STI's

Please find below the information on when your child will be addressing RSE during this academic year.

Year 7 – Mr A Illersic

Year 8 – Ms H Broadfield

Year 9 – Mrs R Thorpe

Year 10 – Please contact any of the above

Values Bulletin

The music morning continues...

Each day as pupils arrive into school, a song chosen by a member of staff or a pupil is played over the speakers that has a link to one of our school values. Songs so far this term have included:

1. Bob Marley 'Three Little Birds'
2. Oasis 'Roll With It'.
3. Harold Melvin and the Bluenotes 'Wake Up Everybody'
4. Bill Withers 'Lovely Day'

Mrs McKenzie

Koinonia Kafe continues...

Koinonia Kafe is a lunchtime space on a Thursday and Friday lunchtime for pupils (and staff!) to drop by the community lounge with their lunch in the bustle of the school day.

We currently have a range of pupils from all year groups attending regularly and making new friends.

At Koinonia Kafe everyone is welcome. You can just come along, sit and eat your lunch (drinks and biscuits provided). There will always be at least 2 adults present who are happy to be known as Christians. They are there to listen and chat should you have anything you'd like to talk about - either together with others or by yourself. Sometimes, a problem shared is a problem halved!

Mrs McKenzie

Year 7 Harvest Service Friday 16 October 2015

The Year 7 Brockington pupils attended our annual Harvest Service at Enderby Parish Church on Friday 16 October.

Year 7, 8, 9 and 10 pupils led the service, which involved the Vocal Group performing the songs and a performance exploring the Christian message of Harvest Festival. As always, it was a lovely way to celebrate Year 7's first half term at Brockington and to give thanks.

Mrs McKenzie and Miss Styles

Parent Governor Update

We are now well into the 2015-2016 academic year and have seen an array of new aspects successfully introduced to the college. This includes, but is definitely not limited to, such things as the first cohort embarking on Key Stage 4 studies, new members of staff (both teaching and non-teaching) and a wonderful new building. As Parent Governors we are really pleased with how well the changes have been implemented and the challenges dealt with by everyone involved with the college.

New Building – A Brief Outline of the Journey

Thoughts around the requirement for additional space in terms of classrooms, a social area and non-teaching facilities started some time ago alongside the aspiration of moving to an 11 to 16 establishment.

A working party of the Governing body was formed and assigned responsibility for overseeing the transformation, together with the moving forward of the accommodation needs.

With assistance from external consultancy, a two year plan was devised and a bid for financial aid was submitted to the government. Unfortunately, this bid was unsuccessful, which led to some in-depth thinking and discussion on how best to proceed with year two of the plan.

Around this time, a vast amount of effort was being devoted to the project by members of the team, through which an unbelievable opportunity was discovered. The college had specific accommodation requirements and it just so happened that a nationally recognised supplier was looking to relocate such facilities in a cost effective manner. Swift negotiations commenced, with due diligence being undertaken, alongside the seeking of approval from the Full Governing body.

Agreement was reached and work on the new building commenced towards the end of the last year.

The fruits of the hard work put in by dedicated members of the team are now to be seen on the college site and it is really pleasing to note that the necessary facilities were in place, up and ready in time for the start of the new college year.

Currently Serving Parent Governors with Committee Membership:

Mrs Helen Gleave – Teaching and Learning; Finance and Pay
Mrs Philippa Graham – Behaviour and Safety
Mr Paul Johnson – Leadership and Management
Mr Umesh Patel – Achievement; Finance and Pay

Mr Umesh Patel - Parent Governor

The DofE is the world's leading youth achievement award, giving millions of 14 to 24-year-olds the opportunity to be the very best they can be. Many young people find achieving a DofE Award life-changing. A fun adventure and major challenge, three progressive Award levels (Bronze, Silver and Gold) and a wide range of activities offer endless possibilities to anyone aged 14 to 24. Millions of young people in the UK have already taken part in the world's leading youth achievement award – pushing personal boundaries, gaining new skills and enhancing their CVs and university applications.

We have offered the DofE programme to our current Year 10 students and are very pleased with the overwhelming interest they have shown. We now have over 70 participants who are well on their way to achieving their Bronze award by the end of the academic year. They are all very busy taking part in fulfilling their volunteering, physical and skills sections of the programme before we set off on our expeditions. Exciting times ahead!

The DofE is an excellent opportunity for young people to challenge themselves in trying something new or improve on what they already enjoy doing. It is a privilege to coordinate a group of such committed and talented people who volunteer in the local community, play all kinds of sports, play musical instruments, are interested in pursuing new skills and activities and bettering themselves.

Mrs I Clark and Mr P Mattock

Parents As Partners Please take a few minutes to have a look over our newly created 'Parents as Partners' blog to get the latest information on what you can do to help your child.

To view the latest tips please visit <http://goo.gl/AeIWOC>

Voice It

As a result of our 'Anti-Bullying Survey' back in 2012 we launched two new 'Voice It' systems to make it easier for pupils to log concerns about bullying, anti-social behaviour and any other concerns they may have in and around the college. The systems have proven to be highly successful and are used on a regular basis. To find out more, or to log a concern, please visit <http://goo.gl/j4SI4n>.

Summary of Issues this year

12 Peer Issues:	Dealt with by Head of Year/Pastoral Manager
1 Personal Issue:	Support offered by Pastoral Team
1 Anti Social Behaviour Issue:	Dealt with by Head of Year/Pastoral Manager

Year 7 Brockington Book Scheme

On Tuesday 6 October we held our Brockington Books celebration afternoon with a number of Brockington pupils being treated to an afternoon of book-related activities and an inspiring talk by renowned local author, Bali Rai. It was fascinating and great fun to hear him talk about his books and his passion for reading. All those involved thoroughly enjoyed the afternoon and went away with their certificates for taking part in the scheme.

I would like to congratulate all the Year 7 pupils who have taken part in the Brockington Book Scheme this year. It has been fantastic to see their dedication and hard work pay off. Throughout the project, pupils have discovered a whole range of new authors and enjoyed many hours of reading. Miss Lucas

Term Dates

	2015-16	2016-17
Autumn Term		
School Opens		30 August 2016
Mid-term Break		17- 21 October 2016
School Closes	18 December 2015	16 December 2016
Spring Term		
School Opens	5 January 2016	4 January 2017
Mid-term Break	15 - 19 February 2016	13- 17 February 2017
School Closes	23 March 2016	7 April 2017
Summer Term		
School Opens	11 April 2016	24 April 2017
May Day	2 May 2016	1 May 2017
Mid-term Break	30 May - 3 June 2016	29 May - 2 June 2017
School Closes	15 July 2016	13 July 2017

Please note that these term dates have been agreed and will be the same as all primary schools in our catchment area, other than for Danemill Primary which has chosen two alternative dates in 2015/2016

Open Mic Night

The Music Departments next Open Mic Night will take place on Tuesday 3 November at 6.30 pm. Bring a picnic tea and be entertained by the amazing talent of our young musicians.

Tickets are on sale for £3.00 each from the music department and can also be purchased on the door.

Miss Styles

Christmas Show

Our annual Christmas Show will take place on Thursday 10 December at 7.00 pm. This is a wonderful opportunity to see our talented pupils show their music, drama and dance skills.

Tickets will be on sale from the start of December priced at £4.00 and can be purchased on the door. Miss Styles

Dates for the Dairy

Achievements

Swimming Achievements - Brockington Year 9 and Year 10 Pupils

On 27 and 28 June 2015, Cole Lee and Sarah White competed at the English Schools Inter-divisional Swimming Championships at Sunderland Aquatic Centre.

Cole swam 100 and 200 back, coming 4th in both and Sarah swam 200 back and got a personal best. Both have been asked to swim again for the East Midlands in October.

Cole and Tom Christie-Smith both swam at the British and English Championships, and Hannah White at the English Championships over the summer.

Cole swam in five events and made the finals in four, Tom swam in six events and made one final and Hannah swam in three events and made three finals, all ending on a high.

Designer of the Month

Every month the Design Department selects a student who has shown exceptional creative and design talent. This month congratulations to:

Chloe Dean (10B)

Performing Arts

Here at Brockington College, we recognise the importance that learning to play a musical instrument can have on a young adult. It can help to promote a sense of self-discipline, self-esteem and enhance self-expression/creativity. We, therefore, encourage as many pupils as possible to start to learn a musical instrument. If you are interested in booking lessons for your child, then please contact the teacher of the instrument you are interested in. They will then send out their information and contracts in order to start lessons with them. If you have any questions, please contact Miss Styles at the school on 0116 286 3722 or via email ses@brockington.leics.sch.uk

Lost Property

Items of lost property are taken to the main college reception. Named items can be returned to the rightful owner. Lost property is now displayed outside the main college reception at lunch times, giving pupils a daily chance to reclaim any missing items. Parents/carers who wish to come and view lost property should telephone reception (0116 2863722) to make arrangements to come and do so after college. Due to the volume of lost property, anything remaining after two weeks will be donated to charity.

PE KIT

Can pupils remember to bring ALL their equipment and PE kit on the day they need it. Telephone calls home will not be made for forgotten kits and equipment. The PE department has some items of sports wear that pupils may borrow. Please make sure all PE kit is named. Thank you.

Pupils walking the Santander Site

Any pupils walking to and from school through the Santander site must ensure that they do not interfere with the parking cones at the side of the road.

Security at Santander will inform the school of pupils not behaving appropriately on the way to school we will inform parents and punish pupils.

Macmillan Cancer Support

Thank you and well done to all staff who made and contributed cakes. £126.00 was raised for Macmillan Cancer Support for the sale of cakes.

Artificial Grass Pitch

Our full size 3G pitch can be used for football and training for a range of sports and is fully floodlit and covered by CCTV. The rubber crumb pitch is available to hire any evening of the week, (where spaces in the timetable permit) for casual play and play use, as well as weekly team training. The pitch can be hired by the third or in its entirety, (our thirds are approximately three times the size of some operators' small sided pitches). We also hire out the facility on Saturday and Sunday too if you need a surface that won't get muddy in winter! Whether you want a pitch for a one off football game or need a pitch to train on a weekly basis, we offer competitive prices and a state of the art playing surface to suit your sporting needs.

For more information, please contact Steve Buck (lettings@brockington.leics.sch.uk) or 0116 286 3722 for availability and prices.

South Africa 2016

The clock is ticking on the countdown to the Kash4Kenya&SouthAfrica 2016 visit. Fundraising is well and truly under way. The team has been busy over the past few months organising their own events as well as whole team ones. They have held curry nights, fairs and fetes, climbed mountains, walked bridges, made cakes, sold strawberries and much much more!

As a whole team, they recently held the highly successful 'Pizza & Ponies' night, with a great turnout and a fun night had by all and the total raised on the evening was £800.00. As well as that, the team is in the middle of their 'Ride to South Africa' challenge, the team turned out in force to Enderby Leisure Centre to clock up miles in their attempt to cover the total number of miles between Enderby and Johannesburg. So far the team have traveled through Europe and have reached the top of Africa, and are collecting lots of sponsors through their justgiving pages along the way.

The next few months are packed full of fundraising events and activities. For more information on past or future events please take a look at www.brockington.leics.sch.uk/africa.

A huge thank you to everyone who has supported the group and their fundraising so far, and keep looking out for them in the local community.
