Dear Parent / Guardian,

Thank you for expressing an interest in using our bus service from Thorpe Astley and Braunstone Town to Brockington College.

Bus routes:

The bus will serve Thorpe Astley and Braunstone Town and will drop off and pick up in the school grounds. Bus routes and timetables will be available to view on our website: www.andrews-coaches.co.uk from July 2018.

Behaviour:

All students are expected to behave appropriately whilst onboard our buses and any anti-social behaviour may result in the student being removed from the bus service. Parents and students are encouraged to report incidents of anti-social behaviour or any concerns they may have to us as soon as possible so that we can deal with any issues. CCTV images and audio is now recorded on our school buses for increased student safety.

Registering a seat:

Arrangements have been made to accommodate all the students that have previously travelled with us on the buses and the new academic year intake. However these places are only reserved until **1st August 2018** so please return this application as soon as possible so it can be processed. After this date any remaining seats will be issued on a first come first served basis and you will not be guaranteed a seat.

No pass no travel:

Please be aware that we do operate a **NO PASS NO TRAVEL** policy on all of our school buses both in the morning and in the afternoon. This is due to a number of reasons:

- Our contracts are a paid service for students and carrying a valid bus pass proves that you are up to date with your payments.
- Our school bus services are a 'closed' service and are not open to the general public, carrying a valid bus pass proves you are entitled to travel on that vehicle.
- For insurance reasons we can only carry students that are officially registered with us on a specific contract. If an accident occurs, we are able to contact the parents of those students that travel on that vehicle. However if a student travels without a valid bus pass they may not be registered with us and hence we will not be able to account for them.
- Students may have had a bus pass removed for anti social behaviour or bullying.

Our drivers will not know the reason a student does not have a valid bus pass and so to protect the interests of all students anyone without a valid bus pass will be refused travel.

Bus passes:

Replacement bus passes can be obtained at a cost of **£10.00**.

Please contact us or alternatively inform the school office that you require a replacement. Temporary bus passes can be obtained from the school office during the school day and includes a section for a return morning journey to the school.

If a student finds they have lost a bus pass before a morning journey please call our office and we may have time to notify our driver to allow the student to travel that morning.

If a student is found to be abusing their bus pass by lending it to another student, using another student's or attempting to use a fraudulent bus pass then they will be removed from our school bus service immediately.

Payments:

The price is **£2.60** per student per day.

The total price for the 2018/2019 academic year is **£494.00**.

A non refundable deposit of **£40.00** is required to secure your seat and must be sent with your initial application.
