

June 2017

Dear Parents/Carers

Re: Brockington College 2012-17

I am sure you will agree that time has flown since we were welcoming your son/daughter to Brockington College in August 2012.

As a school, we now say goodbye to the children that we met five years ago, who are now young adults. I do hope that their individual Brockington journey will lead to them gaining the GCSE results that they are capable of. However, I hope even more that they have grown as individuals who appreciate the ethos and values that we have tried to teach them over the past five years. We believe, as a school, that happiness comes from pride in yourself and that pride is generated by living your life to the full and to a code of good values.

Thank you for your support throughout the last five years and, for those of you who have no younger children attending our school, we will miss the strong relationships built with yourselves, as well as the relationship built with your child. Thank you to everyone that has taken the time to thank members of staff for their support. They are a great bunch of people and it means so much to have received such kind messages from you.

If your son/daughter is attending the prom on Friday 23 June 2017, it starts at 6.30 pm at Sketchley Grange, with collection at 11.30 pm. Money for drinks and photographs will be required. We want everyone to have a great time at this event, so please support our zero-tolerance stance on alcohol before and during the prom for all pupils, so that we do not have to call you to collect your son/daughter if there is any transgression of this rule.

GCSE results will be available for pupils to collect on Thursday 24 August 2017 between 8.00 am and 9.30 am. Although pupils have to collect their results, we would encourage parents/carers to accompany them and come into the building with their child to talk with members of staff who will all be present, even if this is after pupils have had time alone to open their results.

GCSE certificates will be received by the school in November 2017 and we will be organising a presentation evening to award certificates at that time, which everyone will be invited to.

Personally, it has been a real privilege to share this journey with you all and your children and I wish everyone the very best in the future.

Yours sincerely

Mr Chris Southall
Principal
