

**Brockington College**

**Enrichment Programme**

**Autumn Term 2017**

Dear Pupils,

Please take time to read this Enrichment timetable.

It is pleasing to see that so many of you are already involved in activities, some of you on a daily basis! We would encourage all pupils to attend at least one club a week – becoming actively involved in other areas of school will increase your achievement levels in lessons. Once you have decided which activities to get involved in, we would ask that you commit to these on a half-termly basis.

We are very grateful to staff who are giving their time to organise these activities after school, because they have a real interest in supporting you beyond the normal school curriculum. As you can see, there is a wide range of activities on offer – but new ideas are always welcome – just let us know via Student Voice.

Keep up the good work.

Mr Southall

**NB Sports Activities may be re-scheduled if there is a fixture. Pupils will be informed in advance**
