

# BROOKSBY MELTON COLLEGE

Transforming Futures!

# WHO ARE BMC?

- **Specialist college offering vocational courses at FE and HE level**
  - Highest for 16-18 Level 3 achievement rates in East Midlands, and 4th nationally
  - Graded Good by Ofsted
  - Level 3 Extended Diplomas - equivalent to full A Levels
  - Industry focused, hands on work experience
  - Both full time courses and apprenticeship options available
- **Two campuses offering very different courses**
  - Brooksby Campus- Land-based and outdoor based courses as well as foundation learning
  - Creative and Service Industries Campus (Melton) - Creative courses, catering, performing arts, media, health care and hair & beauty courses
  - Great transport links to both campuses
- **State of the art practical facilities**
  - £27.7 million invested in college facilities
  - All courses areas have been improved, with brand new classroom and practical spaces

# WHAT IT IS LIKE TO BE A STUDENT AT BMC?

- **Supportive staff, smaller class sizes and friendly learning environment**
  - Small class sizes mean more contact time with tutors
  - All BMC tutors are 'industry experts' and have real life experience in their field
  - Students form close bonds and leave college with great lasting friendships
- **Dedicated Student Services team**
  - Specialist support and advice for all 'non-course' related enquiries such as health and wellbeing, financial and welfare support
  - Support with employability and progression, including UCAS applications, helping to find work placements and other options for further study
  - Student Engagement- working to support and listen to the voice of the student to continually improve the student experience
- **Learning Resource centre**
  - Over 20,000 resources available to assist with study, including books, journals, magazines, DVDs
  - Full range of computer, photocopying and printing facilities
  - Friendly and experienced advisers on hand to help make the best use of resources
- **Brooksby Melton Student Union**
  - Every BMC student is automatically a member of BMSU
  - BMSU seeks to improve the student experience by representing student views
  - Completely student lead, run by a committee of student officers, who have been voted for by the students
  - BMSU run a series of recreational and social activities, as well as campaigns and charity events to raise funds and awareness
