Brockington Bulletin October and November 2017 Edition

Mr Chris Southall,
Principal

As parents/carers will be aware, we were recently visited by a team of Ofsted Inspectors. Ofsted Inspections are normally for one day unless a school has undertaken a 'significant change', in which case the inspection lasts for two days. Because we had recently changed our age range from 11-14 to 11-16, this constituted a 'significant change' and therefore an extended inspection. At the current time of writing, the final inspection has yet to be validated by Ofsted, so I am unable to share the grades or any information from the report. I can tell you that I am pleased that the Ofsted team agreed with our own analysis of the college and I will share the report with you as soon as it is validated.

We are taking the opportunity to share our current school development work with parents/carers on Wednesday 22 November at 6.00 pm. This will take place during a Parents' Forum meeting, to which all parents/carers are very welcome.

On Friday 10 November, we held a short Remembrance service at the school to honour those that gave their lives in the service of the country. All pupils and members of staff came together in our courtyard area around the central staircase. At 11.00 am, Alex Routley played 'The Last Post' and this was followed by a two-minute silence, which was observed impeccably by all pupils. Following the exhortation, I spoke to pupils about the Battle of Passchendaele which took place during the First World War almost, to the day, 100 years ago. 320,000 British soldiers were

killed in what was known as the 'Battle of Mud' and resulted in a net gain of five miles for the allied soldiers.

On Wednesday 15 November, we will hold our first ever Leavers' Presentation Evening. All pupils that left the college in July, have been invited to attend along with their parents/carers. During the evening the leavers will be presented with their examination and Duke of Edinburgh Award certificates. This will also be an opportunity to award a range of trophies that recognise a variety of achievements. This is quite a momentous occasion at Brockington College and celebrates our achievement in converting to an 11-16 school and completing Key Stage 4 with our first ever cohort.

Mr Chris Southall, Principal

DIY Slime

Making slime at home has become a popular activity for some students. There are a number of slime recipes and one commonly used ingredient is borax. If borax comes into contact with the skin during the making or handling of slime, it can cause skin irritation and other health issues. This also applies to slime containing borax that is purchased on-line or in shops.

Therefore, we strongly advise students to make or buy borax-free slime and always follow the instructions carefully when making it.

The Science Department

Voice It

Voice It was launched after a Brockington Anti-Bullying Survey revealed that students felt that it was not easy to register a concern or report bullying to adults, both at home and school. One reason for this was that they did not feel brave enough to have the conversations face to face and felt it a very daunting idea to have to sit and discuss their worries. Our system can be anonymous or students can leave their names. It makes it easier for pupils to log concerns about bullying, anti-social behaviour and any other concerns they may have in and around the college. The system has proved to be highly effective and is used on a regular basis. Students can use the 'Voice It boxes' outside of the Pastoral Office or in the library, or they can use the online form accessed through the school website. Their concerns are then passed to the relevant Head of Year and Pastoral Manager to deal with and resolve the issues.

To find out more or log a concern please visit the school website or the following link <http://goo.gl/j4Sl4n>.

Summary of Issues this Year

Bullying:	3 –	All investigated and resolved by Pastoral Manager/Head of Year
Parental Query:	1 –	Responded to by Head of Year
Friendship Issues:	1 –	Investigated and resolved by Pastoral Manager
Report of Unwanted Attention:	1 –	Resolved by Head of Year

Mrs Underwood - Pastoral Manager

Parents' Forum Meeting

All parents/carers are invited to a Parents' Forum event on Wednesday 22 November in the college lecture theatre. The event starts at 6.00 pm and will be finished by 7.00 pm.

The event will brief parents/carers on the current school improvement work that we are undertaking. There will be a chance to meet members of the senior and extended leadership teams and refreshments are provided free of charge.

If you have not attended before and/or are a parent/carer of a current Year 7 pupil, this is an informal occasion to hear more about your child's school, which will help you to support your child through secondary education at Brockington. We look forward to welcoming you.

Chris Southall, Principal

Parent/Carer Contact Details

Please can you ensure that all of your contact details are always kept up-to-date, in particular mobile phone numbers and email addresses. Brockington College uses both mobile phone numbers and email addresses to text home important school information about news, letters and school reports.

As well as enabling more timely communication, this will also help us to reduce our paper usage and postal costs. However, please contact us if this is a problem.

Any new details should be provided to: Mrs J Barnes 0116 2846128 or Email jsb@brockington.leics.sch.uk

Emergency Closure of the College

The college will only be closed as a last resort in the event of severe weather conditions or in an emergency.

In the rare event that a decision to close is made, it will be communicated to parents/carers via the Brockington College website, Radio Leicester 104.9 FM and the SchoolComms text messaging system, wherever possible.

Feeling Stressed about exams?

Do you feel you would benefit from learning some new strategies to help you deal with exam stress and anxiety?

The School Counselling Service is able to offer you a one-off session to help you develop tools that can help you get through the exam period

If you are interested and think this is for you please speak to the Pastoral Team or email the school counsellor at km@brockington.leics.sch.uk
A session will then be arranged for you

Stressed? Not able to sleep? **Scared?**
Poor appetite? **Unorganised?** **Confused?**

Attendance Update

As part of our attendance drive this year please may we remind you of a couple of daily procedures:

- Under safeguarding regulations, we must be informed of any absence on a daily basis. Please telephone 0116 2863722 and leave a message on the dedicated absence line/text absence details to 0116 3260247/ email studentabsence@brockington.leics.sch.uk
- If you do not inform us of your child's absence, you will be contacted via text to confirm that your child is off school
- Please be aware that any contact regarding your child's absence will occur after 9.30am (after registration has closed). If we are unable to verify your child's absence home visits may be undertaken to ensure the safety of your child

If you have any concerns regarding this please do not hesitate to contact the school.

We would also like to take this opportunity to remind you that absence has a direct impact upon final grades at GCSE. The following indicates how much learning time is lost due to absences.

90% attendance = ½ day missed every week

1 school year at 90% attendance = 4 whole weeks of lessons missed

90% attendance over 5 years of secondary school = ½ school year missed

17 missed school days a year = one GCSE grade drop in achievement

Congratulations to all our pupils because we are on track to hit our 96% target this year. Our current attendance figures for the school are:

Harvest Festival Service

The Year 7 Brockington pupils attended a Harvest Service at Enderby Parish Church on Friday 13 October. Year 7, 8, 9 and 10 pupils led the service, which involved the Vocal Group performing the songs and a performance exploring the Christian message of Harvest Festival.

Our pupil service leader announced the winners of the Harvest House competition. Tudor were the winners as they raised the most food donations with an entire shopping trolley full and six boxes for the Braunstone Food Share. They won a film week during form time for their fabulous generosity. All pupils who donated received a house point for every item donated. We would like to thank parents and carers for their support with this event.

Spiritual Reflection

Visit by the Bishop of Leicester

On Tuesday 10 October, we were delighted to have a visit from Bishop Martyn Snow, The Bishop of Leicester, along with Carolyn Lewis, Diocesan Director of Education at the Diocese of Leicester [pictured].

The visit began with Bishop Martyn leading staff in a prayer to bless our stained glass window display and commemorate 60 years of Brockington College. Bishop Martyn then delivered an assembly to our Year 8 pupils on the theme of World Mental Health Day, based on his time spent during his ministry in Africa. This was followed by an interesting discussion with a group of pupils on 'a Christian view on modern society' and a tour of the school. It was a pleasure and an honour for so many of our staff and pupils to meet Bishop Martyn.

Careers Speed Networking

Some Year 8 and 9 pupils were lucky enough to take part in the Leicestershire's largest Careers Speed Networking event. This is the second year we have taken pupils to assist them with making decisions about possible option choices for their GCSEs.

Mrs McKenzie

Dedication and Determination

Year 7 students have been busy learning about the different types of religious worship that takes place in a Gurdwara and a Church. Some students have also had the opportunity to dress as traditional Khalsa Sikhs!

Year 11 students are showing their determination to succeed in their upcoming mock exams by attending revision sessions every Monday, afterschool in room 026. If you have not yet purchased a revision guide (£9.00), please do so from the cabin.

 @Brockington_RS 

Oxford University

Mrs McKenzie and Mrs Lee took twenty five Year 11 and Year 10 pupils on a trip to Oxford University. The pupils were given a tour of the engineering department and different routes to university, were discussed along with a question and answer session with current Oxford University students and lunch at one of the halls of residence followed by a tour of the grounds.

The pupils were confident by the end of the trip that they knew how university is accessible to all pupils and understood more about what university life would be like.

Mrs McKenzie

Winter Wolf Run

Over the last few weeks pupils have been asked to bring in their loose change to sponsor twelve staff taking part in the Winter Wolf Run. All money raised will go to the Kash4Kenya team.

Mrs McKenzie

Non-Uniform Day

The first non-uniform day of the academic year took place on Friday 29 September. The sum of £1266.87 was raised which was split between two charities, Childreach and Tumaini Jipya - New Hope .

Thank you - Mrs McKenzie

Open Mic Night

It was another successful evening at our first Open Mic Night this year. Students performed a wide range of songs from Bastille to Vera Lynn, all of which were warmly received by the audience. I am always so impressed and proud to see how our students put together their performances themselves, rehearse and organise the evening with very little help from staff.

In that vein, thank you very much to our amazing techies for doing the sound and filming the evening.

Well done everyone! Mrs O'Hara

Visit to Iceland

On 28 September forty seven Year 11 pupils and five members of staff set off for four days in Iceland. On our first day we got the chance to visit the Blue Lagoon where the water is a very pleasant 38 °C. It is not every day that you get to swim in a bathtub the size of a football pitch! We then travelled to the hot springs for a taster of the geothermal power that Iceland uses.

On day two we did the South Shore Adventure, walking behind waterfalls, exploring the features of the black beach and watching a mini documentary of the 2010 Eyjafjallajökull eruption being a couple of highlights.

On day three we had a tour of Hellisheioi geothermal power station where we learnt about how Iceland utilizes its natural resource. From here we travelled to the Geysir geothermal area, a must see for any visitor to the island! We visited Þingvellir National Park, a site of tectonic activity as the North American and Eurasian plates are moving apart making Iceland 2 cm bigger each year! This is also the site of the world's first democratic parliament founded in 930.

There were a lot of early starts but it is safe to say that we fitted a lot in to a short trip. The pupils clearly loved learning about the features of Iceland; their pictures speak for themselves!

Filming and Careers Visit to Police Headquarters Enderby

On 5 October eight pupils from Years 7-10 were involved in filming a training video for Leicestershire Police. Pupils learnt their lines and used their best acting skills to perform with confidence and professionalism. Afterwards pupils were fortunate enough to be given a tour of the Police Headquarters, which included visiting the Contact Management Centre, seeing an armed car and having the opportunity to wear the firearms kit. They also visited the dog section where they met an explosives dog and saw the general-purpose dogs working with the police in a public order situation (training exercise).

We had a fantastic time and learnt a great deal about the wide variety of potential careers within the police force. The attitude and behaviour of the pupils involved was exemplary with Inspector Claire Morgan commenting: "I would just like to say how wonderful the children were when they came to headquarters. They did the filming remarkably quickly and to a very high standard which left us plenty of time to show them round the headquarters' site. They are great ambassadors for your school, you should be very proud."

Well done to everyone involved! Ms H Broadfield

Child Development Trip

On Monday 6 November and Wednesday 8 November twenty five BTEC Child Development students visited Danemill Primary School to observe how children from a range of age groups learn through play and how adults can support them with this, through a range of activities. We worked in groups rotating around classrooms to observe children from preschool up to Year 1, and this helped us see in real life the things we have been covering in class about how children develop.

This was a really enjoyable trip because we got to spend time seeing children learning through play. They enjoyed us being there too and asked lots of questions and even drew some of us pictures! We just wish we could have stayed all day.

GCSE Geography Field Trip

Sixty four Year 11 GCSE students went on a Geography Field Study to the Norfolk coast. Field work included field sketching, wave counts, beach profiling, pebble analysis, cost benefit analysis, bipolar evaluations and questionnaires.

Despite the bad weather a productive time was had by all.

Alberto Visits School for 'Coffee with Costa'

On Friday 29 September 2017, we were pleased to welcome South Leicestershire MP, Alberto Costa, to Brockington College. During his visit, Alberto met staff, discussed his role as an MP and how to enter a career in politics with pupils, had a tour of the school and took part in 'Coffee With Costa', a specially organised question and answer session with pupils and teachers.

Alberto said, "It was a delight to visit Brockington College again for their very aptly titled 'Coffee With Costa' Q & A. I enjoyed facing a particularly inquisitive bunch of pupils, and it was great to answer their questions on a very broad range of subjects, from Trident renewal to votes for 16 year olds".

The National Citizen Service (NCS) is a once in a lifetime opportunity for 15-17 year olds. It is a once in a lifetime opportunity for young people to develop confidence, build skills for life, push themselves outside of their comfort zone and take on new challenges.

What Happens on NCS?

Week 1: Tackle outdoor challenges like raft building on an exciting residential week away from home.

Week 2: Learn new skills for work and life as you network with local businesses and social leaders on a week residential at university.

Weeks 3 and 4: Make Your Mark by planning and delivering local volunteering projects that matter to you.

Graduation: Reunite with your wave, celebrate your achievements and receive a certificate signed by the Prime Minister.

NCS can help you develop key skills for life and will look amazing on your CV and personal statement.

What are you waiting for?

Secure your place now for Summer 2018 online at www.ncsem1.org.uk or get in touch by email: ncsem1@leics-ebc.org.uk or phone: 0116 240 7007

Our full size 3G pitch can be used for football and training for a range of sports and is fully floodlit and covered by CCTV. The rubber crumb pitch is available to hire any evening of the week, (where spaces in the timetable permit) for casual pay and play use, as well as weekly team training. The pitch can be hired by the third or in its entirety, (our thirds are approximately three times the size of some operators' small sided pitches). We also hire out the facility on Saturday and Sunday too if you need a surface that won't get muddy in winter! Whether you want a pitch for a one off football game or need a pitch to train on a weekly basis, we offer competitive prices and a state of the art playing surface to suit your sporting needs.
