Dear Parent/carer

Re: Brockington College Ofsted Inspection

As you will be aware, Ofsted inspected the college on Wednesday and Thursday of last week.

A team of six inspectors spent the two days visiting a variety of lessons, reviewing pupils' books, examining data and speaking to college leaders and governors.

Senior leaders and governors have received the provisional grades and a provisional outline of the final inspection report. At this stage, the outcome has to remain confidential, until Ofsted has validated the decision. Once this is the case, we will publish the final inspection report on the college website and alert you to this fact.

As a college, we feel that the grades and the information within the report give a fair account of our provision and I would like to thank all the parents/carers that took the time to provide the many positive survey contributions received by the inspectors.

Yours sincerely

Mr Chris Southall
Principal
