Dear Parents/Carers

Re: Mathematics Appointments for Year 7 Consultation Evening

Our mathematics team will be working after school on Wednesday 23 May with our Year 11 pupils, as their first GCSE mathematics exam is the next morning.

Consequently, mathematics teachers will not be available to meet Year 7 parents/carers at the Consultation Evening until 5.00 pm on Wednesday 23 May and appointment times will therefore be restricted to times between 5.00 pm and 7.20 pm. We apologise for any inconvenience caused, but I am sure you will appreciate our desire to support the Year 11 pupils at this time.

If you are unable to secure an appointment with your child's mathematics teacher and would like to hear from them about your child's progress in mathematics, please contact them directly via email in the first instance. Contact details for the Year 7 mathematics teachers are as follows:

Miss Bearne: crb@brockington.leics.sch.uk	Mr Elkins: sel@brockington.leics.sch.uk
Mr Gardner: mig@brockington.leics.sch.uk	Miss Harrison: bha@brockington.leics.sch.uk
Mr Higham: mch@brockington.leics.sch.uk	Mr Mattock: pgm@brockington.leics.sch.uk
Mr Price: ajp@brockington.leics.sch.uk	Mr Van Der Waal: gg@brockington.leics.sch.uk

It is important to us that you receive feedback on your child's progress in mathematics, so please do take this opportunity if you are not able to secure an appointment with your child's mathematics teacher on this occasion.

Yours sincerely

Mr Chris Southall
Principal
