

September 2024

Dear Parent / Carer,

RE: Year 11 Mock Examinations and Preparation

As part of our programme for preparing our Year 11 students for their summer exams, we have scheduled a series of mock examinations to begin on **Monday, 4 November 2024** until **Monday, 18 November 2024**. The exams are designed to give students a realistic experience of an examination setting, and a chance to judge where they need to focus their efforts on the run up to the summer 2024 exams. The timetable for these exams can be found accompanying this letter and on the school website. I would encourage all students to take these exams seriously in the coming weeks and to devote quality time to revision.

In the coming weeks, students will receive a programme of revision support through form time sessions aimed at helping students structure their time wisely, locate and use revision resources, and look at different revision techniques that can help them to succeed this year and beyond. Most departments have now set up in-person after school revision sessions, which you will shortly receive information about; staff will be advising students to attend these sessions where they feel it would be beneficial and I would recommend that all students take these opportunities. The schedule for our intervention / revision sessions will be emailed to you in the next few days.

If you have any questions regarding any of the preparations for the Year 11 exams this year, please do not hesitate to contact either me or Mrs Warner, the Exams Officer, at College.

Yours sincerely,

Jon Barton
Vice Principal
