Dear Parents/Carers

Re: Incident Near Brockington College on Wednesday 5 December 2018

The police have updated us further this afternoon with regard to their advice regarding the lane to the rear of Brockington College.

The advice is that pupils can now use Mill Lane to Narborough on their way to and from school, however, they would advise that pupils undertake normal precautions such walking in groups, particularly as the nights draw in over the coming weeks. If pupils are walking on their own, then their advice is that in such circumstances, pupils should consider taking an alternative route, which is less secluded and better for their own safety.

I would be grateful if you would pass on this advice to your child and discuss with them the best routes to and from school.

Once again, thank you for your continued support.

Yours sincerely

Mr Chris Southall
Principal
