Dear Parents/Carers

**Re: Path Through Enderby Golf Course / Santander**

We have reminded all pupils that they have no right of way through Enderby Golf Course adjacent to the clubhouse and car park.

Please reinforce to your child that taking this route to or from school results in trespassing on golf course and Santander land; putting themselves in danger from golf balls on the course and from cars on the Santander site and upsetting golfers and/or members of staff at the golf course and Santander. The path is for the use of Santander employees only.

I hope that the reminder to pupils will result in resolving this issue. However, I will unfortunately have to impose sanctions on those that do not respect this rule.

Thank you for your support in this matter.

Yours sincerely

Mr Chris Southall  
Principal
