Dear Parent/Carer

Re: Brockington College Respect Drive
'Having respect for ourselves and taking pride in our work'

Further to my previous letter at the start of this term, we are continuing our respect drive, to which pupils have responded well.

This half term has seen our pupils demonstrating respect towards the school through the tidiness of the courtyard area at breaks and lunchtimes, punctuality to school and lessons and by showing acts of kindness towards others.

We would like to continue our respect drive by asking pupils to reflect on how they can show respect for themselves and take pride in their own work. Pupils will have the opportunity to explore this during form time and in English lessons.

After half term, pupils will be offered the chance to take part in some volunteering schemes, in order to be more active participants within our local community. Further details around this will follow in due course.

Thank you for your continued support at home regarding the respect drive and if you have any questions, please do not hesitate to contact me at the school.

Yours sincerely

Mrs Amanda McKenzie
Acting Assistant Principal
