Brockington Bulletin January and February 2019 Edition

Holocaust Memorial Day see page 2

A belated Happy New Year to everyone and I wish you all the best for the remainder of the year.

Mr Chris Southall
Principal

Our new year news is the appointment of our new Principal, Sadie Batstone. Sadie will begin her new role after the Easter holiday. At this point, she will lead the college for three days per week whilst I will continue in post for the other two days. This has been agreed with Long Field Academy, Sadie's current employer, so that Sadie can support the Year 11 pupils at Long Field in the lead up to their GCSE exams. It also provides a period of transition which I am sure will be in everyone's best interests. Sadie will be full-time after the May half-term holiday.

I know that Sadie is excited about becoming the new Principal and is looking forward to the challenge. She is a great fit for Brockington, in that she is passionate about our ethos and values and continuing to support all pupils on their journey to 'learning to live life to the full', which includes driving their academic progress.

Sadie's appointment comes about as Embrace Multi Academy Trust will shortly be officially formed. The opening date will be 1 April 2019 (honestly!!) and initial work is likely to be fairly bureaucratic as we establish policies, procedures and working practices across the trust. We are very clear however, that Embrace has been formed to support all children across the schools involved. All schools are committed to developing the children as individuals and working collectively to this aim. I will keep you up to date regularly with achievements of Embrace and how they have impacted upon the pupils at Brockington College.

Masterchef see page 5

Year 11 Steps to Success

It is at this time of year that our Year 11 pupils come to the forefront of our work and our thoughts. They are now on the final countdown to their examinations and it is essential that we (Brockington College and Year 11 parents/carers) do all that we can to support them. I will issue a letter to all Year 11 parents/carers prior to the half-term break. The letter will explain the support mechanisms in place for all Year 11 pupils and I hope that Year 11 parents/carers will discuss the contents with their children and act upon the advice. Do not underestimate the difference that you as parents/carers can make to both the development and academic achievement of your child.

Trying to be the best parent/carer you can

We look across 1,252 sets of parents/carers and some of the common features of parenting that lead to successful and happy youngsters appear to be the following facets:

- Accept that none of us are perfect, children and parents.
- Being able to be both a parent and a friend: Children need your support and to know you are on their side, but you also have to pull rank at times! Acknowledge they are growing up, but know where they are and what they are doing.
- Give them your time through supporting their homework or hobbies or by creating family time.
- Support them to follow their dreams, not yours.
- Eat meals together.
- Prioritise communication between all family members.
- Ensure they take care of themselves. They need lots of sleep, a good diet and a limit on the amount of screen time.
- Be aware of the dangers of too much or private social media time. Restrict their use and know what they are using it for. Youngsters have to be taught to use social media appropriately. Never allow any electronic devices to be available at bedtime.

Parliament Trip see page 6

Mr Chris Southall, Principal

Holocaust Memorial Day

A number of events have taken place to commemorate Holocaust Memorial Day, which took place on Sunday 27 January. As part of spiritual reflection in form time, all pupils listened to the stories of two survivors of genocide; Renee Bornstein who was a child during the Holocaust, and Sokphal Din, who survived the Cambodian Genocide in the 1970s. In response to hearing what happened to them, pupils wrote postcards to Renee and Sokphal explaining how the stories had affected them. These have been sent off to the Holocaust Educational Trust, to be passed on to the two survivors. You can see copies of some of the postcards on the display in the courtyard.

A number of Year 8 students also took part in a workshop with educators from the Holocaust Educational Trust, learning about what life was like for Jewish people in Germany prior to the Holocaust, and how the changing laws impacted on their lives. Students showed maturity and positive engagement with the workshop, and were able to ask questions and learn more about this important part of history. Both visitors enjoyed their time with us and said they would come again!

Mrs O'Hara - Performing Arts

Dates for your Diary

Year 8 Parents' Options Information Evening	Wednesday	13 February 2019	5.15 pm to 8.00 pm

Year 7 Consultation Evening	Wednesday	1 May 2019	4.30 pm to 7.30 pm
Year 11 GCSE Results Day	Thursday	22 August 2019	

Parking on Double Yellow Lines in the Main Car Park

Please can parents and carers avoid parking on double yellow lines in the main car park. When cars are parked on the double yellow lines, it affects buses that are dropping off and collecting pupils at the start and the end of the school day. The buses do not have sufficient room to come into the car park, causing the entrance to become blocked. As I'm sure you will appreciate, the safety of our pupils and staff is of paramount importance. If there are no spaces in the main car park, please use the MUGA (netball court area) to drop off and collect your child.

Thank you for your support. Mr McDonald - Site Manager

Bake Sale

On Monday 11 February, Year 9 health and social care students held a bake sale in aid of Cancer Research UK, as part of their fundraising campaign. They researched various charities and had a class vote to decide that they would plan some fundraising to help raise money for research into cancer, a cause close to many of their hearts. The bake sale was well advertised on the bulletin and around the college and all of the pupils, plus several staff and other pupils went away to bake some amazing cakes to sell at 50p each. Both break times were well attended with a total of **£240.61** raised to help the charity. An amazing job by the girls. Thank you to everyone involved in the planning, baking, selling and buying of the baked goods!

CANCER RESEARCH UK

Sponsored Silence

The Year 9 health and social care pupils have also decided to complete a sponsored silence on Wednesday 13 February. All of the girls involved have done an amazing job going out and finding sponsors to raise even more money for Cancer Research UK. They are both nervous and excited for this sizeable challenge, but all of them have really gone above and beyond with their enthusiasm and drive. Only time will tell if they can complete this task successfully. Fingers crossed and wish them luck!! A little sponsor wouldn't go amiss either.

Miss Frazer - Health and Social Care Teacher

Voice It

Voice It was launched after a Brockington Anti-Bullying Survey revealed that students felt that it was not easy to register a concern or report bullying to adults, both at home and school. One reason for this was that they did not feel brave enough to have the conversations face-to-face and felt it a very daunting idea to have to sit and discuss their worries. Our system can be anonymous or students can leave their names. It makes it easier for pupils to log concerns about bullying, anti-social behaviour and any other concerns they may have in and around the college. The system has proved to be highly effective and is used on a regular basis. Students can use the 'Voice It boxes' outside of the Pastoral Office or in the library, or they can use the online form accessed through the school website. Their concerns are then passed to the relevant Head of Year and Pastoral Manager to deal with and resolve the issues. To find out more or log a concern please visit the school website or the following link :- <http://goo.gl/j45l4n>.

Summary of Issues: January and February 2019

Report of pupil behaviour	1	Dealt with by Pastoral Manager
Parental enquiry	3	Responded to by relevant Pastoral Manager/Head of Year

Mrs Underwood - Pastoral Manager

Feeling Stressed about exams?

Do you feel you would benefit from learning some new strategies to help you deal with exam stress and anxiety?

The School Counselling Service is able to offer you a one-off session to help you develop tools that can help you get through the exam period

If you are interested and think this is for you please speak to the Pastoral Team or email the school counsellor at km@brockington.leics.sch.uk

A session will then be arranged for you.

Stressed? Not able to sleep? **Scared?**
 Poor appetite? **Unorganised?** **Confused?**

RS News

Brockington College

RS REVISION SESSIONS

Open to year 10s and 11s

- Each Monday
- Room 028
- 15:00-16:00
- Paper 1 and Paper 2

follow us on twitter

Visitor to Year 11 RS lessons!

Julian, a member of the 'Prevention Team' from the Leicestershire Youth Offending Service joined all the RS GCSE Year 11 lessons during the week commencing 28 January 2019.

All Year 11 pupils listened to an overview of the consequences of anti-social behaviour, completed a quiz and took part in a Q&A session. This visit complimented what is taught in the classroom for the unit: Crime and Punishment.

Places of Worship visit with Religious Studies!

Fifty-two Year 9 and Year 10 pupils were selected to visit Leicester Cathedral and a Buddhist centre in Leicester City Centre.

The pupils benefitted greatly from the tour around the cathedral, learning about the rich history of Christianity in Leicester. They also had the special opportunity to visit King Richard III's tomb.

Pupils then had the opportunity to meditate at a Buddhist centre and were taught about the benefits of meditation to mental health. A few were also asked to make special offerings to the Buddha at his shrine!

Brockington Library News

Brockington Book Fair 2019

In January, Scholastic publishers delivered three double cases of books to the college which were full of a variety of titles aimed at all interests and ages. There were also stationery items and posters on sale. The three-day fair was well attended, especially by pupils from Years 7 and 8. For every book bought the buyer received a free raffle ticket. The winning ticket was drawn by Mr Jones and belonged to Thomas Andrew in Year 8. He won a £25.00 book voucher and was able to use it to choose books from the cases. Total sales amounted to £620.00. This was returned to Scholastic but because we made over £600.00, we were given 50% commission in book value which amounts to around 50 free books for the library!

This achievement is especially impressive because this year's book fair was organised and run by pupils, headed up by Shannon Hughes from Year 9. She was assisted by:

Year 7: Aurelia Bates

Year 8: Mathilda Bennett Macbeth, Ashley Cook, Seren Fitzgibbon, Mellody Hearn, Cady Henderson, Terry Hurst, Holly Ingrams, Roxanne Myers, Olivia Parr, Rosie-May Stone

Year 9: Ruby Harmer, Kate Healey

They did a fantastic job and the book fair would not have been as successful without them.

A huge thank you to all pupils and parents who provided the money to buy books and therefore made it possible for the school to earn so many free books.

New Library Data System

This is now up and running and all pupils and staff are able to view the library stock on line, make reserves and write reviews. There have been a couple of teething problems but this is going to be a great resource as everyone gets used to using it.

Library After Hours

Don't forget that the library is open from 3.00 pm to 4.00 pm every day for homework and study.

Mrs E Elliott - Learning Resources Coordinator

Careers Information

Careers & Post-16

More information can be found on the Brockington College website or on the following link:

**Food and Nutrition:
Bright Sparks**

- Year 9 Holly Clapham
- Year 9 Kate Healey
- Miss Leedham

Brockington College Board Gaming Club

This half-term has seen the college board gaming club being generously supported by the kind donation of some fantastic new games for the pupils. The college club have recently received copies of the award-winning *Pandemic*, and other modern board-game classics such as *Ticket to Ride Europe*, *Carcassonne* and *Catan*. These are proving extremely popular with the pupils and are fantastic fun for all year groups.

The club, which launched last year, is open to all pupils on regular days at lunchtimes each week and continues to be a popular social activity. The club enables pupils to play a traditional games like Chess or Scrabble along with a wide range of retro board games and now widened selection of modern and tabletop ones.

This generous donation of board games is a fantastic boost for the members and will undoubtedly bring many hours of fun to the group.

Mr J Campbell - English Department

**Pupils Perform in
Pantomime
Performances**

Lots of our very talented students took part in pantomime performances over the festive season. Here is a picture of two of our students, Asa Crick, Year 9 and Kira Stafford, Year 7 who featured in Snow White and the Seven Dwarfs at the Peepul Enterprise in Leicester in December.

Well done to everyone who performed in shows!

'Masterchef'

A wonderful Italian meal with a starter comprising of tomato mozzarella and basil tart followed by a succulent salmon and vegetable tagliatelle with finally a delicious baked blueberry cheesecake!

Wow!.....was this a creation from Gino D'Campo or perhaps from the famous TV programme Masterchef? No, it was from the amazing culinary skills of Year 10 Lilly Dent who skilfully prepared the meal for 24 diners from the Rotary Club of Blaby Meridian and several family members.

This meal was in recognition of Lilly winning the food competition at Brockington College Enderby which is sponsored by the Rotary Club of Blaby Meridian and also as a preparation for Lilly's next step, The Rotary District West Young Chef Competition.

This Rotary competition is to encourage young students throughout the UK to help them to excel in their chosen culinary career in the future. To this end, a local chef, Tony Parris from Wycliffe Catering, tutored Lilly giving her guidance on presentation. Lilly really enjoys cooking and would love to have a career in the food industry.

We have no doubt that due to the wonderful meal she presented her dream will surely come true one day. We wish her well in the upcoming Rotary District Competition and perhaps even forward to the National Rotary Final!

Miss Leedham - Design Technology

Parliament Trip

On Tuesday 22 January, 30 bright-eyed pupils left Brockington at 7.30 am for a long and traffic congested trip to the Houses of Parliament. Spirits were high and all the talk of selfies and keeping up with the Kardashians soon moved on to serious discussions over the future of the United Kingdom after Brexit.

We arrived at the education centre and watched a great video about the history of Parliament. Then, with hopes of bumping into Theresa May trying to garner support for her new and improved deal, we headed into the labyrinth of corridors of the House of Westminster.

We were given a fascinating guided tour of this most ornate and historic of buildings and then, as if by magic, were whisked up to a select committee room where we met our constituency MP, Alberto Costa.

He was most generous with his time and entertained us for 30 minutes out of his no doubt busy schedule. He brilliantly explained the intricacies of the workings of Parliament.

Then when asked if there were any questions, the pupils, fresh from the debate on the bus, got to work on him! Piercing intellects and passionate debate followed the arguments back and fro.

Consummate politician that he is, Mr Costa made sure that everyone was listened to carefully and given thoughtful and interesting answers.

He was great and was a real highlight of our visit. Thank you Alberto!

From the select committee room, Mr Costa managed to get us tickets to the public gallery where we saw a live debate on proxy voting.

We then had to rush back to our coach and head homewards, tired but exhilarated by the experience of being so close to the seat of power.

It was a great day for all and definitely inspiring.

Thank you in particular to Mr Green and Mrs Cheesman for accompanying the pupils.

Mr Carr - Humanities Department

Secondary Schools Cross Country

The final race in the Secondary Schools Cross Country League took place at Burbage Common on Saturday 12 January.

The Year 7 boys' team produced another strong team effort to finish in 2nd place just four points behind the winners Thomas Estley who they have been very close to in each race for the whole season. Harry Rainbow had a top 10 finish in 2nd and he was closely followed by Harry Chapman 12th, Thomas Marshall 22nd and Lewis Williamson 23rd. Overall the boys finished in 2nd place behind Thomas Estley across the four league races.

Imogen Poole was the only Brockington girl taking part. She ran strongly to finish in 7th place. Imogen has been consistent all season finishing with two 7th, a 6th and a 5th place finish in the four league races.

In the junior boys Mackenzie Bloxham, following an injury, was back to fine form taking 5th place (and 5th overall in the league) despite being in the lower age group. Benjamin Higginbottom was 28th and Connor Williamson finished 41st.

In the inter boys event, Charlie Combey got the better of Tom Gibbons for the first time this season. The boys finished in 5th and 6th place respectively. Tom finished in 4th place in the league, narrowly missing out on 3rd place by one point.

Mr Platts - PE Department

County Championships Cross Country

The County Championships, the final cross country race of the season took place at Ratcliffe College on Saturday 2 February. After finishing 3rd in the league, the Year 8 and 9 boys produced a brilliant team performance to come equal first with Thomas Estley on 54 points. Lachlan Finch led the way finishing 3rd. He was closely followed by Mackenzie Bloxham 7th, Adam Hoban 20th and Benjamin Higginbottom 24th. Ben made up two places on the final sprint to secure the tie with Thomas Estley.

In the Year 7 boys race the team were going for the win after finishing 2nd in the league. Despite a terrific team effort by all four runners, Oakham School surprisingly won the team race on the day with Thomas Estley relegated into 3rd place. Harry Rainbow was first, counter finishing in 8th. He was closely supported by Harry Chapman 11th, Thomas Marshall 21st and Lewis Williamson 25th.

In the Year 7 girls' race, Imogen Poole ran strongly to finish in 8th and Charlie Combey just finished outside the top 10 in 11th place in the intermediate boys race.

Congratulations and well done to all the runners who have competed for the school this season.

Mr Platts - PE Department

Leicestershire Cross Country National Finals

Congratulations to Imogen Poole, Harry Rainbow and Harry Chapman who have been selected to represent the Leicestershire cross country team at the national finals to be held on 23 March at Prestwold Hall.

Mr Platts - PE Department

Performing Arts

Here at Brockington College, we recognise the importance that learning to play a musical instrument can have on a young adult. It can help to promote a sense of self-discipline, self-esteem and enhance self-expression/creativity. We therefore encourage as many pupils as possible to start to learn a musical instrument. If you are interested in booking lessons for your child, then please contact the teacher of the instrument you are interested in. They will then send out their information and contracts in order to start lessons with them. If you have any questions, please contact Mrs Ward at the school on 0116 286 3722 or via email sew@brockington.leics.sch.uk

BTEC Open Mic Night

As part of their coursework, Year 11 BTEC pupils put on an Open Mic Night, which they had to organise themselves without any help from staff! The night went off with barely a hitch, with musical performances from pupils across the school. A huge well done to the BTEC Music Class, who put in some serious hard work in order to make everything come together – from arranging furniture and flowers, to auditioning and supporting performers, to advertising, to organising technical support and being front of house.

There were some stressful moments, but it all came together brilliantly and the audience certainly enjoyed themselves. The music staff also enjoyed putting their feet up and actually just watching a performance for a change! Well done to everyone involved; you have done yourselves proud.

Mrs Ward and Mrs O'Hara - Performing Arts Department

Performing Arts Rewards:

Star :
Kian Wright (Year 11) - For being a brilliant MC at the BTEC Open Mic Night

Rising Star:
Paris Senesie (Year 8) - Making a fantastic impression on both the music and drama departments at the moment!

Safer Internet Day 2019 was celebrated globally on Tuesday 5 February with the theme – ‘Together for a better internet’

Brockington College took part in this year’s **Safer Internet Day** with various lessons and activities during the week revolving around the topic ‘*Understanding consent in a digital world*’.

The topic looked at the different ways we share things online and what happens to our data when we sign up for different apps/services. This tied in with our theme of the week ‘*What communities are you a part of?*’ with pupils thinking about the two key questions: ‘*What internet communities are you part of?*’ and ‘*Is all of your interaction with others positive?*’.

For more information on Safer Internet Day please visit the official website by clicking [here](#).

As always, we update our [E-Safety page](#) regularly, which contains a wealth of information and advice for parents/carers.

Mr Spencer - IT Support

Job Vacancy at Brockington College Casual Kitchen Assistants

We are looking to find reliable casual kitchen assistants to join our catering team on an ‘as and when required’ basis. If you are interested, please look at the vacancies page on our website for more information and where to send your application.

Childline is free, confidential service for young people available any time, day or night. Childline is available help anyone under 19 in the UK with any issue they are going through. Young people can talk about anything. Whether it is something big or small, trained counsellors are there to support young people.

Contact Childline by:

- calling [0800 1111](tel:08001111)
- [email](mailto:lettings@brockington.leics.sch.uk)
- Logging onto the website www.childline.org.uk

And, did you know the Childline website includes a handy toolbox where you can access games to take your mind off issues, advice to support you and suggestions for new ways to handle your emotions.

FACILITIES TO HIRE @ BROCKINGTON

Brockington College is a modern college with excellent facilities to accommodate most activities. We have a large hall with a stage, courtyard, sports hall, netball courts, drama and dance studios, classrooms, art & craft rooms, ICT suites, community lounge and a full size 3G pitch available for hire.

Suitable for parties, exercise classes, dance groups, fundraising events, sports clubs, meetings and conferences. Catering and bar facilities available on request.

We also offer complimentary wireless Internet access.
