Brockington Bulletin March 2019 Edition

Mr Chris Southall
Principal

It was a real pleasure to watch the school production, 'Seussical' recently. I was amazed by the talent of our pupils and by the amount of pupils that were involved in this year's performance. Great credit goes to all the cast and backstage crew, as well as to the members of staff that organised and supported the musical. Well done to all!

We are now in a vital preparation period for all Year 11 pupils, as they prepare for their GCSE examinations in only three school weeks! We know that Year 11 pupils respond differently to the forthcoming exams. Some pupils require the help of parents/carers to keep them calm and to encourage periods of relaxation alongside the revision. Some of our Year 11 pupils need your support in pushing them harder with their revision and in supporting them through asking exam-style questions.

You will know best what support your child requires, but do not under-estimate how important your support is during this stressful period in their lives.

Embrace Multi Academy Trust officially opened on 1 April 2019. There is a list of work to be undertaken centrally and across the schools, as we work together to be as effective as we can be in relation to the standards achieved by all our pupils. This work will generally gather pace as we become established. On a business level, we will be seeking to generate savings and increase income to deliver as much funding as possible directly to education. However, the majority of our work will be linked directly to making a difference at pupil-level.

As Embrace forms, I will be moving to the role of Chief Executive Officer of the new trust. Mrs Batstone will lead Brockington College as Principal for three days a week after the Easter holiday and I will be based at Brockington on the other two days. After May half-term, Mrs Batstone will be sole Principal at Brockington.

Over the nine years as Principal at Brockington College, I have had the privilege of working with and alongside some outstanding pupils, members of staff, governors and parent/carers.

I know it will be the Brockington people that I miss the most, as I move into the new role. They have been a source of delight, entertainment, concern, frustration, motivation and inspiration. It is hard working in a 'people industry' because everyone is different and has different needs. However, the day to day challenges are overcome from the satisfaction brought by the outcome of our work together. One of the greatest pleasures in life is to meet an ex-pupil, keen to tell you what they are now doing. It is at this point, that the world of education makes sense.

In my new role, I will be maintaining close contact with everyone at Brockington College. I will be doing my best to support Mrs Batstone, as Brockington College continues to grow from strength to strength. It is a very special school that understands the value of people and that a person is much more than their examination grades, important though they are.

Mr Chris Southall, Principal

Seussical The Musical see page 2

World Book Day see page 4

New York Trip see page 6

Seussical The Musical

Over three evenings, pupils from across the school joined together to transport the audience to the magical world of Dr Seuss, where, with The Cat in the Hat (the talented Molly) as the narrator, they followed the heart-warming story of Horton the Elephant (brilliantly portrayed by Toby) desperately trying to save a tiny planet full of Whos. Our cast were absolutely fantastic and sang, danced and acted their hearts out. Particular mention must go to our leads who include: Liberty and Sophie as Gertrude and Mayzie, two birds with wildly different attitudes to life, Fran as the aggressive General Genghis Kahn Schmitz and (one to watch) Harry as the misunderstood Jojo the Who. Not forgetting of course the wonderful array of jungle creatures, jelly fish and everyone else up on the stage.

We must give a big shout out to our incredible stage crew, who worked tirelessly to create the best set we have ever had. All the sets were designed and painted by pupils, but we mustn't forget our brilliant site team, who hardly even blinked when they were asked to build a hill you could actually walk over and a nest on wheels! Also big thanks to our technical, sound, lighting and projection team – you were awesome; as were the hoard of budding make-up artists who came in every night to paint people's faces and hair in outrageous colours!

Congratulations all of you. As always, it is our very great pleasure to work with you all and we could not be more proud of what you achieved.

Miss Gaskell, Mrs O'Hara, Mrs Hawthorne and Mrs Ward - Performing Arts Department

Dates for your diary

Year 9 Consultation Evening	Wednesday	10 April 2019	4.30pm to 7.30pm
Year 7 Consultation Evening	Wednesday	1 May 2019	4.30pm to 7.30pm
Values Trip Day (Year 7, 8, 9, 10)	Tuesday	9 July 2019	Details of the different trips, timings and costs will be shared with pupils and staff over the next few weeks.

Brockington College Enrichment Programme

Summer Term 2019

Now available on the Brockington website <https://goo.gl/afQsm4>

Voice It

Voice It was launched after a Brockington anti-bullying survey revealed that pupils felt that it was not easy to register a concern or report bullying to adults, both at home and school. One reason for this was that they did not feel brave enough to have the conversations face-to-face and felt it a very daunting idea to have to sit and discuss their worries. Our system can be anonymous or pupils can leave their name. It makes it easier for pupils to log concerns about bullying, anti-social behaviour and any other concerns they may have in and around the school. The system has proved to be highly effective and is used on a regular basis. Pupils can use the 'Voice It boxes' outside of the pastoral office room 018 or in the library, or they can use the online form accessed through the school website. Their concerns are then passed to the relevant head of year and pastoral manager to deal with and resolve the issues. To find out more or to log concern, please visit the school website or the following link: <http://goo.gl/j4Sl4n>.

Summary of issues: March 2019

Reporting a friendship issue 1 Dealt with by pastoral manager between two friends

Reporting a disagreement 1 Dealt with by pastoral manager

Mrs Underwood - Pastoral Manager

Lost property

Items of lost property are taken to the main college reception. Named items can be returned to the rightful owner.

Parents/carers who wish to come and view lost property should telephone reception on 0116 2863722 to make arrangements to come and do so after school. Due to the volume of lost property, anything remaining after two weeks will be donated to charity.

Feeling stressed about exams?

Do you feel you would benefit from learning some new strategies to help you deal with exam stress and anxiety?

The school counselling service is able to offer you a one-off session to help you develop tools that can help you get through the exam period.

If you are interested and think this is for you, please speak to the pastoral team or email Mrs McPherson, the school counsellor, at km@brockington.leics.sch.uk
A session will then be arranged for you.

Stressed? Not able to sleep? **Scared?**
Poor appetite? **Unorganised?** **Confused?**

RS News

Holy Communion and Baptism

Rev Jerry Taylor, our school chaplain, has visited all Year 10 classes this half term to share the meaning and significance behind Holy Communion and Baptism.

The photographs show great learning taking place in preparation for GCSE RS.

Mrs McKenzie and the RS Team

Duke of Edinburgh Award

The current Year 10 group are progressing very well with all four sections of their Duke of Edinburgh (DofE) Award. Lots of pupils are out in the community completing their volunteering section; cooking and baking seem very popular in the skills section and a huge variety of physical exercise is taking place amongst the 60+ participants. Expedition dates have been sent home and the pupils are organising their groups for this and choosing their preferred dates for completing both the practice and assessed expeditions.

The Year 10 group have been particularly efficient at completing this information on the eDofE website. This is something that the Year 11 pupils can continue to do, especially with the information on the expeditions they completed last year. When any pupil starts a section, the information must be submitted through eDofE as soon as possible, so we can check its suitability. For sections that have been approved, evidence should be being uploaded regularly.

If you would like any further information about the Duke of Edinburgh Award, please contact Mr Gardner on DofE@brockington.leics.sch.uk.

Interview techniques day

On Friday 15 March 2019, all Year 10 pupils were interviewed by over 45 volunteers from various industries and businesses. The aim was to allow pupils to gain experience of an interview situation in preparation for college or training next year. It also allowed the pupils to gain a meaningful encounter with an employer, which studies suggest make pupils more employable.

Year 10 pupils conducted themselves brilliantly and it was great to hear so much positive feedback from the pupils and the volunteers. If any parents believe they could help with next year's interview techniques day, please email rp@brockington.leics.sch.uk.

Mr Patel - Assistant Principal

Brockington College

RS REVISION SESSIONS

Open to Year 10 and 11

- Each Monday
- Room 028
- 3pm-4pm
- Paper 1 and Paper 2

Visits to Caterpillar

Two separate groups of pupils visited Caterpillar in Desford on 13 and 14 March. They were given a short presentation about Caterpillar and what they manufacture.

Pupils were also informed about how important health and safety is at Caterpillar and were given bright orange safety jackets, navy blue caps and safety goggles to wear. The group were then given a tour of the factory including the shop floor where they construct back hoe loaders and compact wheel loaders. Both tours included a tour of the factory and practical tasks which included a tower challenge and how to build a break pad from scratch.

At the end of the visit, pupils went to the showroom where there were various vehicles they could sit in and explore.

The group really enjoyed the trip and some are even thinking of applying for apprenticeships at Caterpillar in the future.

Miss Reynolds - Senior Teaching Assistant

Year 11 pupils, aged 16 years or over, can access free student membership of the Association for Project Management

Please click on the link for more information:-

FREE COURSES Women in Construction

EASTER FORTNIGHT (excluding Good Friday and Easter Monday)

Are you aged 15 or over and would like to have a go at construction and craft trades?

Each year, during the Easter holidays, Leicester City Council holds its Women in Construction taster courses, at Leicester College, where women can try:

Plumbing, plastering, carpentry, bricklaying, electrics and painting.

Women can attend as few or as many sessions as they wish.

Book your place now! Or come to our Open Day.

To find out more or how to register for the course email: craftswomen@leicester.gov.uk or visit leicester.gov.uk/womeninconstruction or follow us on Facebook - search for women in construction Leicester

How to find us:
Go to the main reception at Leicester College's Freeman's Park Campus, Aylestone Road.

World Book Day

On Thursday 7 March, pupils celebrated World Book Day by welcoming author, Mahsuda Snaith, to the Brockington College library. Mahsuda Snaith is the winner of the SI Leeds Literary Prize 2014, Bristol Short Story Prize 2014 and was an Observer New Face of Fiction in 2017.

Mahsuda started each session with a reading from her book 'The Things We Thought We Knew', described by the Observer as 'an original coming of age novel'. Publisher and writer, Nikesh Shukla, said that 'Mahsuda is an exciting new voice in fiction...her work is brave and bold'.

Following the reading, a wide range of KS3 and KS4 pupils participated in creative writing workshops with the author. Year 7 and 8 pupils are currently working towards writing their own short story, whilst Year 10 classes will be studying narrative writing in preparation for their GCSE language exams next year. Therefore, each workshop gave pupils an opportunity to begin creating characters and plots to support and develop their creativity, learning and assessments.

I'd like to thank all staff and pupils involved in the day and also a big thank you to the writer herself for inspiring the next generation of readers and authors.

Mahsuda Snaith's new book 'How to Find Home' is out on 7 May 2019 and copies of her first novel are now available in the library.

Miss Scott - English Department

Brockington library news

Pupil librarian training

Before February half term, pupils in Years 7-9 were invited to submit applications to be a pupil librarian starting after Easter. There are currently 16 pupils involved in after-school training. When they have completed the three sessions, they will be added to the library duty rota for a trial period until the end of May. They will then become full pupil librarians and sign a contract committing to helping in the library for one duty period a week until Easter 2020, after which they can stop or continue for another year. All of the 2018-19 pupil librarians who are continuing for another year will also attend the third training session, which is specifically about using the new library management system.

Library after hours

Don't forget that the library is open from 3pm- 4pm every day for homework and study. Pupils from all years are welcome. For some reason the number of Year 11s attending is growing. I wonder why!!

Library display

Finally, please admire this picture of a new library display. This was designed by Shannon Hughes, Year 9, based on an idea she found online. I think it is the best display we've had in the library all year so I wanted to share it with those of you who cannot visit in person.

Mrs Elliott - Learning Resources Coordinator

Geography Twitter guess the location competition

One of the Embrace MAT primary schools is located in this pretty Leicestershire village. It is also where Mr Molloy's family lived for many generations. Can you identify which village it is from this photograph?

Coaches triathlete of the year

Harry Chapman, 7B, has won the coaches' triathlete of the year award at his club. The club has 70 members, aged 8-17 years, and Harry was chosen for this prestigious award due to his hard work and commitment to his club and in his races. Harry has shown a very mature outlook with his commitment to training and has done very well in his races across the year.

Harry was awarded a shield which has his name engraved on it. He also received a framed picture and beautiful glass trophy.

Well done Harry - Miss N Parmar

Brockington New York trip February 2019

Friday 15 February

Everyone on the trip arrived at school between 3.30am and 3.45am and got on the coach, which then left to journey down to Heathrow airport. Once we all arrived at Heathrow, everyone checked in and then we were all given time to get food or shop. At approximately 8.30am, everyone met at a specific location ready to all board the plane. The plane took off at 9am and the plane journey lasted around six hours and 25 minutes. Whilst on board everyone received a meal and snacks and we also had the opportunity to watch films or play games on the screens in front.

Once we arrived in New York City, each person had to go through many security checks. When this was completed, we all got onto another coach that took us straight to our accommodation. As everyone arrived, we were given room keys and told to take our luggage up to our rooms. Some people then took a trip to a local shop to purchase refreshments. After half an hour, everyone was told to meet in the lobby and be ready as we were going out for a meal at Bubba Gump in Times Square. Whilst walking to Bubba Gump, we had the opportunity to see the city. After our meal our first day came to an end.

Saturday 16 February

On the second day, everyone was told to be up and ready for 7am and downstairs in the lobby for 7.10am. We were split into two groups and both groups had a tour guide, who then took us to Grand Central Terminal, where we had the opportunity to look around and take pictures. We then went to the Whispering Gallery, which was underneath Grand Central Terminal; it was surreal as you could hear each other from across each side, it was almost like you were speaking on the phone. After viewing many attractions with our tour guides, we then visited Radio City Music Hall. A different tour guide took us around Radio City and told us all about it. We were shown the stages where people performed and we then had the option to take photos with the famous Rockettes. After the tour finished, we went back to the accommodation before leaving to go out for dinner. We went to Applebee's for dinner before going to watch the New York Islanders play ice hockey at the Barclays Center, which was a great experience that we all thoroughly enjoyed with some of us joined in with their chants. We got back onto the subway which concluded our second day.

Sunday 17 February

We started our third day the same as the second by being in the lobby for 7.10am, ready for another long, fulfilling day. The first place we visited was the Statue of Liberty. In order to get over to her, we had to get a ferry which was only a short journey; we had time to take photos of both her and the view of New York from across the sea. Shortly after, we took a trip to the 9/11 memorial which was a surreal experience as it was very moving and upsetting, however we were all really respectful. We then went up the Rockefeller Center to see New York in daylight. We had the opportunity to take photos and look at the amazing city. After this, we went for dinner at the Hard Rock Café and some people chose to purchase a Hard Rock Café jumper. Our last activity of the day was visiting the Empire State Building. We had the experience of going up the building and seeing New York at night. It had 102 floors, however, you could only go to a certain point.

Monday 18 February

Our final day started with everyone moving their luggage out of the rooms into a storage room. This took a long time, but once it was completed, everyone met in the lobby ready to start our final day in New York. Firstly, we were given a tour around Maddison Square Gardens. The tour guide showed us around whilst giving us information about the place and the history of it. We had the privilege of visiting the VIP areas and the changing rooms of the players. When going into the actual arena we had to keep extremely quiet as there was a programme being filmed. After the tour had come to an end, we had a quick stop for food before going to Macy's. When we arrived at Macy's, we all agreed on a meeting point and then we had three hours to shop. After the three hours had come to an end, everyone joined back together and we made our way back to the accommodation. We had an hour at the accommodation to make sure we had packed and had what we needed with us before the coach came to pick us all up to transport us to the airport. Once we got to the airport we had to follow the basic procedures before being allowed time to relax and eat. We all boarded the plane at 9pm and then had a five and a half hour flight back to Heathrow. After the flight landed we reclaimed our luggage and waited for the coach to take us home. Overall the trip was a amazing experience which everyone thoroughly enjoyed.

By Poppy Bodycote and Eloise Yeomans

On behalf of Mr Mayes - Pastoral Manager

Performing arts

Here at Brockington College, we recognise the importance that learning to play a musical instrument can have on a young adult. It can help to promote a sense of self-discipline, self-esteem and enhance self-expression/creativity. We therefore encourage as many pupils as possible to start to learn a musical instrument. If you are interested in booking lessons for your child, then please contact the teacher of the instrument you are interested in. They will then send out their information and contracts in order to start lessons with them. If you have any questions, please contact Mrs Ward at the school on 0116 286 3722 or via email sew@brockington.leics.sch.uk

Magic Flute trip

On Wednesday 20 March, music pupils travelled to Nottingham Theatre Royal Concert Hall to see the Mozart opera 'The Magic Flute'. The opera was a wonderful experience with a great (perhaps confusing) storyline and wonderful singers and actors.

It was interactive and entertaining and showed a lot of variety of emotion and feeling. Everyone seemed to enjoy it and spoke about it on the journey back.

Lily-George Lythe, 10R

Cornet exam

Well done to Naomi Boulter in 10I, who has passed her Grade 4 cornet exam with merit.

 Year 8 girls – finished 4th out of five Year 8 girls groups.
 Year 7 boys – finished 1st out of five Year 7 boys groups. They are now through to the next round of the indoor athletics competitions on Tuesday 2 April!
 Year 8 boys – finished 3rd out of five Year 8 boys groups. Well done all involved!

Badminton KS3 county finals

Brockington took part in the Leicestershire County badminton finals for the first time. The finals were held at Babington Badminton Centre on Monday 4 March. The team comprised of four Year 9 Boys: Oliver, Charles, Charlee and Zac.

The tournament was organised into two pools and we were in the hardest pool. In the first game we played Belvior High School. In a very close game, we beat them by one game (3 – 2).

In the next match we were up against Newbridge, Coalville. This was always going to be a tough game as Newbridge were the defending champions. Despite putting up a strong performance we lost 5 – 0. We still had one chance to qualify for the semi-finals if we could beat Crown Hills. This game was very close and it went down to the last game. Unfortunately, we lost out losing to them 3 – 2. The boys played exceptionally well to qualify and to produce an excellent performance in the finals. They have been playing from year 7 and have continued to get better every year. Next year they go into Year 10 and will take part in the KS 4 competition. We wish them well for the future.

Full results:	1	Newbridge	2	Crownhills	3	Manor		
	4	Babington	5	Brockington	6	Belvior High	7	Riverside

Advanced notice regarding traffic on Mill Lane from 8am Friday 3 May 2019

We have received advance notice from Blaby District Council that they will be conducting the count for the local elections from 9am on Friday 3 May at Enderby Leisure Centre.

Therefore, Brockington staff, visitors and pupils may find that the route around Mill Lane is busier than normal between 8am and 9am as staff, candidates and agents arrive. Those attending the count will be advised to park in the leisure centre car park as normal and where possible will be asked to car share to reduce any burden on parking spaces.

Thank you.

FACILITIES TO HIRE @ BROCKINGTON

Brockington College is a modern school with excellent facilities to accommodate most activities. We have a large hall with a stage, courtyard, sports hall, netball courts, drama and dance studios, classrooms, art & craft rooms, ICT suites, community lounge and a full size 3G pitch available for hire.

Suitable for parties, exercise classes, dance groups, fundraising events, sports clubs, meetings and conferences. Catering and bar facilities available on request.

We also offer complimentary wireless Internet access.
