

April 2019

Dear Parent/Carer

Re: Parent's Gateway

I am writing to inform you that we are currently in the process of changing our Management Information System over to a brand new platform. In the process, we will be moving our parent portal over to the same system.

This new platform provides all the functionality we have offered previously, plus it allows us the ability to share more information with you as parents/carers including:

- communications
- reporting
- behaviour information
- timetables
- exam timetables

We are aiming to launch the new platform to all parents/carers towards the end of May. Unfortunately, the contract with SchoolComms has now ended, so we have a few months where we do not have a parental gateway. However, text and email communication will continue as normal.

If you require any information in the interim period (timetables etc) please do not hesitate to get in touch via itsupport@brockington.leics.sch.uk and we will be happy to provide such information by email.

Yours sincerely

Mr Michael Jones
Network Manager
