Brockington Bulletin April and May 2019 Edition

Year 10/11 girls football county final see page 7

Sadie Batstone  
Principal

It's with great pleasure that I am able to contribute for the first time to the Brockington Bulletin. Over the past few weeks, I have spent time getting to know pupils and staff as well as meeting parents/carers at the Year 7 consultation evening. Until May half term, I will be at Brockington three days a week whilst the Year 11 pupils at my previous school get underway with their GCSE exams. I am looking forward to being able to be at Brockington full time from the beginning of June.

The Year 11 pupils at Brockington College have now started their exam season and their attitude and approach has been exemplary. To support them during what is a very pressured time, we have opened the school from 8am for breakfast so that they are able to come in early, do a little extra revision, eat and calm their nerves. I am pleased to see a great number of the pupils have taken up this opportunity, alongside teachers who have made themselves available at this time to give last minute advice or a boost of confidence as needed! I wish every success to all the Year 11 pupils for the remainder of their exams! Once the Year 11 pupils have completed their exams in mid-June, it will be the turn of the Year 10 pupils to sit their mock exams. This is a good opportunity for them to learn how to revise, to set a revision timetable and to plan their revision schedule so that, not only can they perform well in their mock exams, but they also prepare themselves for their final year at Brockington. We will be holding a meeting at the start of June which will provide more information and top tips, to enable Year 10 pupils and their parents/carers to make the most of this season and I'm looking forward to meeting many of you for the first time at the event.

Whilst our Year 9 pupils have had a busy year embarking upon their GCSE studies, Year 8 have completed their option choices ready to take on the challenge of Key Stage 4. At the same time, our Year 10 pupils have been visited by many Post 16 providers as they begin to consider their choices for life after Brockington. We have had many colleges, institutions and apprenticeship providers present during assemblies, allowing pupils to begin to consider their next steps. As always, we are grateful to the colleges for sending staff to come and talk to our young people as they begin the exciting journey into the next stage of their lives.

As we head into the final half term of this academic year, I would like to thank parents and carers on behalf of Brockington for the continued support you show to the school. Parents/carers play an essential part in the development of each pupil that we serve and the more closely we are able to work with you, the more effective we will be at providing every opportunity for your child to leave Brockington well prepared for their next stage both academically, and as well rounded individuals who uphold the values that underpin all we do at Brockington College.

Sadie Batstone, Principal

Art competition see page 5

## Absence requests in term time

Regular attendance at Brockington College is vital to each child's education and development. The school aims for all of its pupils to have 100% attendance and 'good' attendance is considered to be 96% or above, with no unauthorised absences. It is for this reason that non-attendance, however short or infrequent, is treated seriously. In line with current legislation, the school policy is that a pupil leave of absence during term time will only be authorised if proven exceptional circumstances apply.

There are no changes to the guidance from the Department for Education and therefore, Brockington College will continue to notify the Pupil Services Court Team at Leicestershire County Council of unauthorised leaves of absence.

If a child has an unauthorised leave of absence, Leicestershire County Council may issue a parent with a penalty notice of £120.00 **per parent, per child** (discounted to £60.00 if paid within 21 days) or the case could be referred by them directly to a Magistrates' Court for the purposes of criminal prosecution.

It is hoped that you will take serious consideration of the information outlined above and reconsider your plans to take an unauthorised leave of absence during school term time. Thank you for your support in this matter.

Mrs Bullivant - Attendance Manager

## Dates for your diary

Year 11 GCSE examinations	Monday	13 May 2019 to 17 June 2019	
New Year 7 (2019/2020) transition days	Monday	8 July 2019	Day
	Tuesday	9 July 2019	Day
New Year 7 (2019/2020) parent/carer welcome evening	Monday	8 July 2019	Evening (7.00 pm to 8.00 pm)
Values trips (Year 7, 8, 9, 10)	Tuesday	9 July 2019	
Year 11 GCSE results day	Thursday	22 August 2019	

## Important catering information

We would like to remind parents/carers that pupils should not try to purchase food when they do not have enough money on their catering account. Balances should be checked regularly. Pupils can check their balance using the loaders located in the courtyard and parents/carers can use ParentPay to see the balance on their child's catering account. Please note telephone calls home will not be made for pupils with insufficient funds on their account.

### Pupils with insufficient funds on their account

If pupils do not have sufficient funds they can go to the baguette bar at lunch time in the main courtyard and inform the catering staff. They will then be allowed a filled roll and piece of fruit, which will need to be paid for the following day. Water fountains are in school so pupils can have a drink. Pupils will not be able to purchase anything at break time if they do not have sufficient funds. Please help us to continue to provide an efficient catering service for our pupils by checking their balance regularly.

**In the interests of other pupils with nut allergies, please do not include nuts or nut products in your child's packed lunch. Thank you.**

Mrs Sidwell - Catering Manager

## Voice It

Voice It was launched after a Brockington anti-bullying survey revealed that pupils felt that it was not easy to register a concern or report bullying to adults, both at home and school. One reason for this was that they did not feel brave enough to have the conversations face-to-face and felt it a very daunting idea to have to sit and discuss their worries. Our system can be anonymous or pupils can leave their name. It makes it easier for pupils to log concerns about bullying, anti-social behaviour and any other concerns they may have in and around the school. The system has proved to be highly effective and is used on a regular basis. Pupils can use the 'Voice It boxes' outside of the pastoral office room 018 or in the library, or they can use the online form accessed through the school website. Their concerns are then passed to the relevant head of year and pastoral manager to deal with and resolve the issues. To find out more or to log concern, please visit the school website or the following link: <http://goo.gl/j4SI4n>.

### Summary of issues: April and May 2019

Anonymous report of unkind treatment of another pupil 2 Resolved by year teams

Report of friendship issue in class 2 Resolved by year teams

Mrs Underwood - Pastoral Manager

## Feeling stressed about exams?

Do you feel you would benefit from learning some new strategies to help you deal with exam stress and anxiety?

The school counselling service is able to offer you a one-off session to help you develop tools that can help you get through the exam period.

If you are interested and think this is for you, please speak to the pastoral team or email Mrs McPherson, the school counsellor, at [km@brockington.leics.sch.uk](mailto:km@brockington.leics.sch.uk). A session will then be arranged for you.

**Stressed?** Not able to sleep? **Scared?**  
Poor appetite? **Unorganised?** **Confused?**

## RS News

### Brockington Easter Service

Year 7, 8 and 9 Brockington pupils attended an Easter Service at Enderby Parish Church on Friday 12 April.

The service was led by Year 9 pupils, which involved the school vocal group and a performance exploring Holy Week.

Mrs McKenzie - RS department

### Guide dog stress busting puppy workshop

Before the GCSE exams commenced, Year 11 pupils were invited to a guide dog stress-busting puppy workshop. Pupils were able to spend time with the guide dogs in training in order to help wellbeing, anxiety and stress levels leading up to the exams.

Pupils donated £1.00 each to go towards the Guide Dogs Trust.

Mrs McKenzie - RS department

- Each Monday
- Room 028
- 3pm-4pm

## University Challenge comes to Brockington

50 Year 7 and 8 pupils took part in a session run by Coventry University in April as part of their school outreach programme. Students were introduced to what university life is like, the wide range of courses on offer and the various routes available to them to make going to university reality and not just a pipe dream.

The pupils completed a variety of engaging tasks, including a team quiz and even a construction challenge to design a university for pigs! The session tested pupils' team building skills, putting their imagination to work and creating inspirational ideas as a result.

Pupils commented on the practical aspect of the day, commenting that it was a 'fun' way of exploring university life.

Miss Shepherd - Child Development and Humanities teacher

## Brockington Canadian ski trip

At 7am on 11 April 2019, 29 pupils and four staff departed Brockington College. 24 hours later and in the dead of night, we arrived at the mountain resort of Jasper, Canada. On arrival we were quickly shown to our rooms for some much needed rest!

The following morning we were greeted with crisp cold air and stunning panoramic views of the mountains that surrounded the resort. After our all you can eat breakfast, we were taken to fit our ski gear and then driven in a classic yellow school bus up to the slopes.

The next six days involved an early wake up of 7.30am, breakfast and then a bus trip up the mountain for two hours of hard skiing in the morning. A quick pit stop where an all you can eat hot lunch was enjoyed, before heading back out on the slopes for another two hours of skiing.

On the first two days, the weather was amazing with blue skies and warm temperatures! In the following days we experienced some light snow flurries followed by blue skies! The pupils showed excellent determination and perseverance during the week. With most pupils having never skied before, the fall count was high, however the pupils were not put off by this and carried on regardless. It was noticed by the instructors and staff alike, how determined our pupils were to improve. Their hard work paid off with all the pupils coming off the slopes happy at each day's achievements. In the last two days the pupils were taken further afield by their instructors onto some very challenging slopes. This allowed all groups to practice and display all that they had learned in the week.

After each full day of skiing, the pupils had an organised activity for the evening, these ranged from quizzes, the cinema and an all you can eat pizza night.

The week went extremely fast and it was soon the day of our return. We boarded the coach at a very early 8am and arrived back at Brockington College 21 hours later with some very tired pupils eager to share their stories of the week with family and friends.

Mr Marsden - Head of Year and PE teacher

## Duke of Edinburgh's Award

Having spent the first two terms working on the physical, skills and volunteering sections, the summer term is all about completing the expedition section of the Duke of Edinburgh's Award.

All the preparations have been completed by the Year 10 group. They have spent six weeks at training sessions after school, working on their map reading, route planning, cooking and camp craft skills. The group has also had some practice at putting up their tents – always important to be able to do this quickly in a British summer! Between now and the end of the year, each group will complete a practice and an assessed expedition.

There are seven pupils who are looking for a volunteering opportunity to complete. This must be done as part of a not for profit organisation.

If anyone is able to offer any support with this, please contact me on [dofe@brockington.leics.sch.uk](mailto:dofe@brockington.leics.sch.uk)

Mr Gardner - Duke of Edinburgh's Award Coordinator/PE department

## Brockington library news

### Pupil librarians

Last term, pupils were invited to apply to be pupil librarians for the twelve months commencing this term. About half of the pupil librarians from the previous twelve months opted to continue and the new pupils, whose applications were successful, received training in four after-school sessions in April. These new pupil librarians have begun their four-week probation period and so far are proving a great asset to the library. Three Year 7 pupil librarians are working on a display on Mental Health which will no doubt be finished before the next bulletin comes out.

### Library opening times during exam period

Unfortunately, the library is situated next to some of the rooms which are used for the GCSE exams. This means that for the next four weeks it will be closed for much of the time during the school day. However, it will be open after school most days until 4pm when it is a good time to come to do homework or exam revision.

### Overdue books

During the exam period I appreciate that it will be more difficult for pupils to return books. However, they can do this at the beginning and end of the school day even if the library is not open at other times. There is a book drop box in the library corridor where books can be left safely.

### Twitter

Twitter: @BrockingtonLib

Mrs Elliott - Learning Resources Coordinator

## Health and Social Care pupils help people with sensory difficulties

Health and Social Care pupils in Year 10 have been practising helping people with sensory difficulties. They completed a number of tasks aimed at helping those with vision and hearing impairments. An obstacle course was created for them to guide their partners around, giving both pupils the opportunity to explore what it is like to be both a guide and a person with a vision impairment.

A thoroughly enjoyable lesson with a very clear message attached to it.  
Miss Frazer - Health and Social Care/PE teacher

## Art-AI Festival Haymarket Theatre

On 20 May 2019, two groups of Year 9 computer scientists attended the Art -AI Festival at the Haymarket Theatre and took part in an electronics workshop. They built their own 'useless' robots, coded them and tested them out. Some designs included a theremin, a line detector and light detector. At the end of the workshop, two judges decided which robot was the most 'useless' and selected it to go through to the next round.

There were two trips, one in the morning and one in the afternoon. All the Year 9 pupils had a very good time and came back with amazing certificates.

Fahd Farooqi (Year 9N) on behalf of Mr Turner - Curriculum Team Leader ICT/Business Studies

## Achievements

### Designers of the month

Every month the design department selects pupils from each year who have shown exceptional creative and design talent.

#### This month congratulations go to:

Year 7	Logan Armstrong
Year 8	Faith Browne
Year 9	Alyssa Melbourne/ Charley Hickling
Year 10	Francesca Penny
Year 11	Jack Doolin Simran Arora

Well done  
Design Technology

### Food and nutrition: bright sparks in Years 8 and 10

Elleigh Jefferson (Year 8)  
Fran West (Year 10)  
Lilly Dent (Year 10)

Miss Leedham -  
Design Technology department

### Congratulations and well done

Mrs O'Hara  
Performing Arts  
teacher

on passing your  
grade 8 piano exam  
excellent achievement

Mrs Ward -  
Performing Arts  
department

## Athletics

Mackenzie (8C) took to the streets of London when taking part in the London mini marathon on 28 April. Mackenzie who won the Area Sports 1500m last year, finished in 43<sup>rd</sup> place out of 240 in the 5K London event. He improved his personal best time by 37 seconds, finishing in an impressive 17 minutes and 37 seconds.

Well done Mackenzie.

Mr Platts - PE department

## Athletics results

Junior girls	(Year 7/8)	1st
Inter girls	(Year 9/10)	3rd
Junior boys	(Year 7/8)	1st
Inter boys	(Year 9/10)	2nd

Well done all  
Miss Russell - PE department

## Art competition

The art department had reason to celebrate this month. A group of pupils ranging from Year 8 to Year 10 entered a competition set by the Bishop of Loughborough, Rt Rev'd Dr Guli Francis-Dehqani. The competition was to create a piece of artwork in response to the song by Stormzy 'Blinded by your Grace'. The winning piece, selected from the four secondary schools in the Diocese, would be framed and hung in the Bishops' lodges, along with a cash prize of £150. Three runners up received cash prizes of £50.

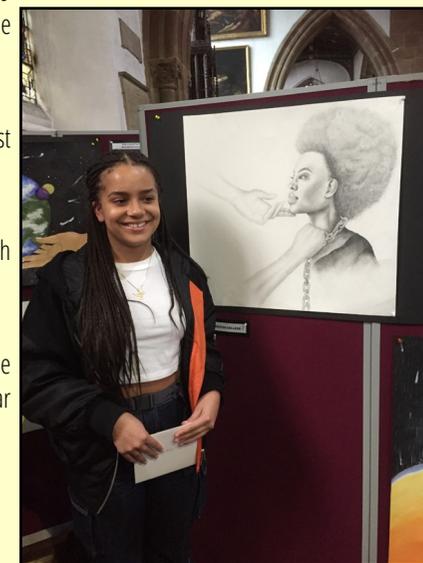

Pieces by Molly in Year 10, Ella M in Year 10, Ella B in Year 10, Alicia in Year 9 and Sarah in Year 8 from Brockington, were all shortlisted by the Bishop, to be displayed in an exhibition and awards evening at Leicester Cathedral.

The pieces that our pupils produced were great contenders, standing amongst artwork created by Year 11 and 12 pupils from other schools.

Whilst the overall prize was awarded to a Year 11 pupils from Samworth Academy, our own Alicia in Year 9 was awarded a runner up prize of £50.

I would like to thank all pupils who took the time and effort to enter the competition and congratulate all five girls who had work exhibited, in particular Alicia for her winning piece. Well done!

Mrs Wilson - Art department

## Football season 2018/2019

The season has ended with a number of successes for our teams. Most notably Year 8 boys and Year 10/11 girls, with both teams winning their leagues and reaching the County Cup finals. The girls also reached the County Futsal finals.

**Year 7 boys:** won their area league and lost in the semi finals of the County Cup to the eventual winners, Rawlins Academy. They have worked hard all year and have the potential to build on their good work and go and challenge strongly again next year.

**Year 8 boys:** have had a really strong season. Credit for this is down to their hard work and commitment in Year 7, when they failed to progress through the league and cup competitions. There would regularly be over 20 boys out for training right up to the last week of term. Due to commitment from all of the boys, they have developed into a very strong team, losing only one game in their season, winning their area league and the County Cup. If they maintain their commitment, they have the potential to have another successful season next year, where we hope they will continue to enjoy the style of football that we encourage them to play.

**Year 9 boys:** had a difficult season making the transition to the full senior size pitch and will be looking to improve next season.

**Year 10 boys:** continue to play a very mature style of football but haven't had the luck they deserved this season, losing narrowly when dominating games. This is something they will look to put right next year.

We have a happy nucleus of girls regularly coming to girls football night on Monday after school. However, WE NEED MORE!!

**Year 7 girls:** have had a difficult season. However, we look forward to their progress next year.

**Year 8/9 girls:** have continued to show their quality and resilience. They narrowly lost to a very physical Vale of Belvoir in the County Cup semi final and in the Futsal final.

**Year 10/11 girls:** we have been blessed with some outstanding footballers in this group backed up by a committed group of girls who always give their best and continue to surprise us with their level of ability in games. They have once again had a great season, winning the County Futsal final and losing narrowly in a keenly contested County Cup final 6-7.

After five years representing Brockington, our Year 11 girls will leave us with fond memories of adventures in the National Schools Cup. We wish them well for the future and thank them for all they have given to girls' football at Brockington.

Mr Buck - Facilities Manager

## Collection and naming of lunch boxes

Could pupils please ensure that if they leave their lunch box on the table in the hall at lunch times, they remember to collect it before they go home at the end of the school day. If not collected on a Friday, the premises department will dispose of them.

Also, please make sure that all lunch boxes and water bottles are named. Thank you. Premises staff

## Emergency inhaler medication

We have a number of pupils in school that have been prescribed inhalers by their GP.

If, in the event of an asthma attack, you wish your child to be given an emergency inhaler, please would you complete the emergency consent form which is on the school website.

It is also important that:

- (a) pupils carry their inhalers with them at all times
- (b) inhalers are labelled with your child's name
- (c) expiry dates are checked regularly
- (d) you consider providing a spare inhaler to be kept in the first aid room
- (e) inhalers are taken by pupils to PE lessons (a small labelled container may help to prevent any loss of items)
- (f) inhalers are taken by pupils on any school trips.

If you would like further information or are unsure of procedures, please do not hesitate to ask  
Miss Brotherton, School Health Coordinator (0116 2863722)

## Updates to pupil health/medical conditions records

In order to keep Brockington medical records current, please inform the school of any changes regarding your child's health/medical conditions by contacting the school or Miss Brotherton (0116 2863722). Alternatively, an email can be sent to [admin@Brockington.Leics.sch.uk](mailto:admin@Brockington.Leics.sch.uk) or [klb@Brockington.Leics.sch.uk](mailto:klb@Brockington.Leics.sch.uk).

Thank you for your co-operation. Miss Brotherton, School Health Coordinator (0116 2863722)

## Risk assessments

Following an injury or a period of illness, your child may require a risk assessment prior to returning to school. Please call the School Health Co-ordinator to discuss this and if appropriate, to arrange an appointment for a risk assessment. This then ensures that all necessary health and safety measures are put in place to best support your child. Miss Brotherton, School Health Coordinator (0116 2863722)

## Returning to school after illness

Following an episode of vomiting or diarrhoea, please can we ask that your child does not return to school until they have had 24 hours free of any symptoms.

## Nut allergies

In the interests of other pupils with nut allergies, please do not include nuts or nut products in your child's packed lunch. Thank you.

## Performing arts

Here at Brockington College, we recognise the importance that learning to play a musical instrument can have on a young adult. It can help to promote a sense of self-discipline, self-esteem and enhance self-expression/creativity. We therefore encourage as many pupils as possible to start to learn a musical instrument. If you are interested in booking lessons for your child, then please contact the teacher of the instrument you are interested in. They will then send out their information and contracts in order to start lessons with them. If you have any questions, please contact Mrs Ward at the school on 0116 286 3722 or via email [sew@brockington.leics.sch.uk](mailto:sew@brockington.leics.sch.uk)

## Sports results

### Sports hall athletics county finals

The Year 7 boys indoor athletics team took part in the county finals which were held at Uppingham School on 2 April. Brockington were representing the Blaby & Harborough district and were up against seven other schools from the different districts across Leicestershire and Rutland.

The boys performed brilliantly to finish in 3<sup>rd</sup> place in a very high standard of competition.

The top five teams are as follows:

1 <sup>st</sup> Hinckley & Bosworth	286 pts
2 <sup>nd</sup> East Leicester	273 pts
3 <sup>rd</sup> Brockington	265 pts
4 <sup>th</sup> Oadby & Wigston	263 pts
5 <sup>th</sup> North West Leicester	252 pts

The team comprised of: (back row) Joe, Dylan, Oscar, Tom, (front row) Harry C, Harry R, and Lewis .

Mr Platts - PE department

### Year 10/11 girls football county final

De Lilse College 7-6 Brockington

Well done to the girls for coming second! It was such a close game and unfortunate you didn't get the win!

Miss Russell - PE department
