

July 2019

Dear Parents/Carers

Re: Brockington College 2014-19

I am sure you will agree that time has flown since we were welcoming your son/daughter to Brockington College as long ago as August 2014.

As a school, we now say goodbye to the children that we met five years ago, who are now young adults. I do hope that their individual Brockington journey will lead to them gaining the GCSE results that they are capable of. However, I hope even more that they have grown as individuals who appreciate the ethos and values that we have tried to teach them over the past five years. We believe, as a school, that happiness comes from pride in yourself and that pride is generated by living your life to the full and to a code of good values.

Thank you for your support throughout the last five years and, for those of you who have no younger children attending our school, we will miss the strong relationships built with yourselves, as well as the relationship built with your child. Thank you to everyone that has taken the time to thank members of staff for their support. They are a great bunch of people and it means so much to have received such kind messages from you.

The prom was a massive success and it was a real pleasure to see everyone having such a good time and dressed to impress! It has left everyone with further positive memories of a great year group and so many amazing individuals.

GCSE results will be available for pupils to collect on Thursday 22 August 2019 between 8am and 10am. Although pupils have to collect their results, we would encourage parents/carers to accompany them and come into the building with their child to talk with the members of staff present, even if this is after pupils have had time alone to open their results. You have made significant contributions to get your child to this point and it would be great if you can share the moment with them. I suspect you may have to negotiate with your child around this matter though!

GCSE certificates will be received by the school in November 2019 and we will be organising a presentation evening to award certificates at that time, which everyone will be invited to.

I wish you all the best for a very restful summer.

Yours sincerely

Sadie Batstone
Principal
