

Brockington College

Enrichment Programme

Spring Term 2020

Dear Students,

Please take time to read this enrichment timetable.

It is pleasing to see that so many of you are already involved in activities, some of you on a daily basis! We would encourage all students to attend at least one club a week – becoming actively involved in other areas of school will increase your achievement levels in lessons. Once you have decided which activities to get involved in, we would ask that you commit to these on a half-termly basis.

We are very grateful to staff who are giving their time to organise these activities after school, because they have a real interest in supporting you beyond the normal school curriculum. As you can see, there is a wide range of activities on offer – but new ideas are always welcome – just let us know via Student Voice.

Keep up the good work.

Sadie Batstone
Principal

NB Sports activities may be re-scheduled if there is a fixture. Students will be informed in advance

MONDAY

Activity	Time	Year group(s)	Who can attend?	Venue/ room	Staffing

Running Club	3pm-4pm	All years	KS3 and KS4 (Year 7-11)	Field/Off Site	Mr Platts

Brockington Library

The library is open at most break times for students to come in and read, do homework, borrow and return books.

With the exception of Week A on Tuesday for KS3 students, the library is open every lunchtime for all students to come in and read, do homework, borrow and return books. Opening times for the current day are posted on the bulletin which is read out in form time and on the library door.

Library After Hours

The library is open every day after school until 4pm for students to do homework or revise. In the unusual event that the library is closed after school, this will be posted on the bulletin the day before if possible.

Mrs E Elliott Learning Resources Coordinator
