

17 March 2020

Dear Parents/Carers

Re: Extra-curricular activities

Following the government announcement yesterday, I am writing to inform parents and carers that all after school extra-curricular activities at Brockington College, will be cancelled from Wednesday 18 March 2020.

Formal Year 11 revision sessions with subject staff, will continue to take place, as per the revision timetable, but will finish by 4pm. This is, however, subject to change, and we will update parents/carers as appropriate.

Informal unsupervised revision in other parts of the school will not be permitted. All other students will be required to leave site at 3pm by their normal means.

We consider these actions to be in the best interests of our students, staff and wider community and hope that you will understand and support these measures, during these unprecedented times.

Yours sincerely

Sadie Batstone
Principal
