Brockington College Uniform Policy

1. Introduction

- 1.1 Brockington College, a Church of England Academy, has at its heart a distinctive Christian ethos. Based on our Christian foundation and values we seek to promote a culture of developing every person and therefore every school policy is written from this perspective, with a commitment to learning and maturing in the context of communal and individual development.
- 1.2 We lay particular stress on the Christian values of compassion, forgiveness, justice, koinonia, learning, perseverance, respect and wisdom for individuals and across the school community.

2. School uniform

- 2.1 The policy on school uniform must be followed by all students. Decisions on the suitability of all uniform items and of appearance are at the discretion of Brockington College, not students or parents/carers. If in doubt as to the appropriateness of uniform items, please contact the college for advice. All parents/carers and students have agreed to follow the school uniform policy through the home/school agreement.

Item	For	Notes	Uniform supplier

For outdoor games in the winter, a plain black track suit/jogging suit may be worn. Hats and gloves can be worn in very cold weather, at the discretion of the PE teacher.		

3.2 If for any reason your child does not have their kit or has a medical note explaining that they are unable to take part in the lesson, we are unable to make alternative provision. Our policy is similar to most secondary schools in that pupils who are not able to do PE are expected to join the PE group listening to the theory aspects and helping with duties as instructed by the teacher. **This is also the same policy for outdoor lessons.** It is therefore important that students have a coat and warm clothing to observe the lesson if they are outdoors.

3.3 If your child has a medical reason for not participating practically in a PE lesson, please supply your child with a note to give to their PE teacher on the day of their PE lesson.

3.4 If your child has a medical condition that is likely to last for several weeks, please contact your child's PE teacher to explore arrangements that can be made in such exceptional circumstances.

4. Uniform supplier

4.1 The college uniform supplier is Match Fit Kit. They can be contacted at via 02476 350630 or at sales@matchfitkit.com

5. Applying the uniform policy

5.1 Communication

The college will communicate uniform expectations to all current students and parents/carers. Expectations will also be communicated to all new students and their parents/carers through transition information distributed.

5.2 Action in the event of inappropriate uniform being worn for college

Should students wear non-school uniform items of clothing, they will be sent to see their head of year or pastoral manager. The pastoral team keep a range of laundered uniform items and will insist upon the student changing into school uniform. Should this be declined, the student will be isolated and parents/carers contacted. This matter will then require resolution prior to the student returning to school classes. If felt necessary and at the pastoral team's discretion, a student may be sent home to change following contact with parents/carers. Following this matter, the student will be placed on uniform report for five school days.

5.3 Action in the event of inappropriate make-up

If a student fails to obey the rules concerning make-up, then the form tutor will send the student to the pastoral office. At the pastoral office, the student will be required to rectify the issue using make-up wipes or nail varnish remover. The student will then be placed on a make-up report for five school days. Should the student refuse to rectify the issue, then action will be taken in line with refusal to rectify inappropriate uniform items (see above). In the event of any student wearing false nails, the student will be placed in isolation and parents/carers contacted regarding the need for the student to remove the false nails that evening.

5.4 Action in the event of inappropriate jewellery

Any student who wears jewellery contrary to the uniform policy will be asked to remove the jewellery, which will be confiscated and placed inside a named envelope. The item of jewellery will be available for collection by a parent/carer. The student will be placed on a uniform report for five school days.

5.5 Uniform checks

All members of staff are responsible for checking the uniform of students and for applying the uniform policy as described in this document. In order to support the policy, there will be regular uniform checks organised by the pastoral team.

5.6 Short-term unavoidable uniform issues

On very rare occasions, there can be reasons why a student cannot wear their full school uniform. This could be, for example, if an item of uniform was lost or was damaged. In the event of this rare occurrence, we would ask that parents/carers send the student to school with the most appropriate replacement item and provide a note for the student to show to their pastoral manager/head of year. For items where we have a suitable laundered replacement, we will make a loan to the student. There will be no sanctions for students where this is the case although we would anticipate the matter being rectified within two school days.
