6 January 2022

Dear Parent/Carer

Re: Year 11 after-school revision/intervention

From Monday 10 January, planned intervention/revision sessions with year 11 students will recommence to support them in their GCSE courses. A full timetable for the sessions, which will run after school (sessions end between 3.45pm-4.15pm) until the beginning of the exams, can be found on the school website. The sessions run on a two-week timetable, similar to our normal school timetable.

Each day has sessions running from different departments. If your child studies more than one subject that has a session running on a certain day, they will need to make intelligent choices as to which session they are going to attend. To aid with this decision making, departments have provided some details of the content/skills that will be covered in each session. Please go through this carefully with your child and support them in making good decisions about what their priorities are going to be, and which sessions will fit best with their priorities.

Some departments are targeting certain intervention sessions at specific students. These sessions are marked "Invite Only" on the timetable. Departments will be inviting students to these sessions through their subject teacher. If your child has not been invited to a session that they feel would be of benefit to them, please ask your child to approach their subject teacher to enquire as to whether they can attend that session. If a session is NOT marked "Invite Only", then it is a revision session open to all students who take that subject.

Please note that the school buses will be running at normal times so if your child normally gets the school bus and wants to attend a revision session, then you will need to organise alternative transport for your child on that day.

If you have any questions about our after-school intervention program, then please contact us via email at admin@brockington.leics.sch.uk or by telephone on 0116 2863722.

Yours sincerely

Peter Mattock
