

7 June 2022

Dear Year 11 Students, Parents and Carers

Re: Year 11 June 2022

Firstly, I'd like to apologise for any confusion regarding the times that year 11 students are required in school. To provide some clarity, it is expected that students who have a morning exam are expected to be on site by 8:30am at the latest, whilst breakfast revision will continue to take place from 8am in the courtyard. After a morning exam has finished, students must leave site immediately via main reception **unless** they have an afternoon exam or a revision session (which we expect all students to attend who take that subject), in which case they must remain on site until the end of the revision session. Should there be a lesson (for example period 3) prior to the revision session, then all students are expected to remain in school and attend that lesson and revise. Therefore, it is important that students ensure that they have independent revision materials with them at all times.

For example:

Wednesday 8 June – All students have the English literature exam in the morning. Students who study further maths have an exam in the afternoon and a revision session period 3. Students studying history, have history revision sessions period 4 and 5. Therefore, those students will need to remain in school all day and during period 3 they will attend their normal lesson before their specific history revision session starts period 4. Those who do not study further maths or history will leave site straight after the exam.

Thursday 9 June – History students will attend school at the start of the day ready for the history exam in the morning. All other students will arrive at school for period 2 (10.05am) to attend the specialist physics revision sessions ahead of the physics exam in the afternoon, which all students will take. Once the exam finishes, combined science students will then attend English sessions for final tips ahead of the English language exam on Friday morning.

Friday 10 June – All students will attend the English language exam in the morning. Form photos will then take place during period 3. Following this, all students will attend maths revision until the end of period 4 (2pm) when they are then able to leave.

I hope this provides clarity for students, parents and carers.

Thank you for your continued support.

With kind regards

Sadie Batstone
Principal

Exams

Special sessions

Normal lessons

Year 11 Timetable for week beginning 6th June

Day/Date	Morning	Period 1	Period 2	Period 3	Period 4	Period 5	After School
Mon 6 th June	None	No lesson or exam	No lesson or exam	No lesson or exam	Maths lesson	Maths lesson	None
