

September 2022

Dear Parents/Carers

Re: Year 11 mock examinations and preparation

As part of our programme for preparing our year 11 students for their summer exams, we have scheduled a series of mock examinations to begin on **Monday, 31 October 2022** until **Thursday, 10 November 2022**. The exams are designed to give students a realistic experience of an examination setting, and a chance to judge where they need to focus their efforts on the run up to the summer 2023 exams. [The timetable for these exams can be found on the school website.](#) I would encourage all students to take these exams seriously in the coming weeks and to devote quality time to revision.

In the coming weeks, students will receive a programme of revision support through form time sessions aimed at helping them structure their time wisely, locate and use revision resources; they will look at different revision techniques that can help them to succeed this year and beyond. Most departments have now set up in-person after school revision sessions, which you recently received information about; staff will be advising students to attend these sessions where they feel it would be beneficial and I would recommend that all students take up these opportunities. [The schedule for our extra-curricular can be found on the school website at this link.](#)

If you have any questions regarding any of the preparations for the year 11 exams this year, please do not hesitate to contact either myself or Mrs Warner, the Exams Officer, at the college.

Yours sincerely

Jon Barton
Vice Principal
