Dear Parent / Carer

## RE: Year 10 Mock Examinations and Preparation

As part of our programme for preparing our students for their summer exams in 2025, we have scheduled a series of mock examinations for Year 10 to begin on **Monday, 15 April 2024** until **Thursday, 25 April 2024**. These mock examinations are designed to give students a realistic experience of an examination setting, and a chance to judge where they need to focus their attention as they finish the first year of Key Stage 4. The timetable for these exams can be found by following [this link](#) to the school website.

In the coming weeks, students will receive a programme of revision support through form time sessions aimed at helping students structure their time wisely, locate and use revision resources, and look at different revision techniques that can help them to succeed this year and beyond.

If you have any questions regarding any of the preparations for the Year 10 exams this year, please don't hesitate to contact Mr Marsden (Head of Year 10), Mrs Warner (Exams Officer), or me at college.

Yours sincerely

Jon Barton  
Vice Principal
